

## Trooper cited for heroism

Illinois State Police Trooper Richard T. Crnkovich has been presented with the American National Red Cross certificate of merit award by Lucianne Phillips, division representative for the American National Red Cross, St. Louis, in recognition of heroism here.

Trooper Crnkovich received the award for his effort on Feb. 12, 1977, to save the life of a 16-month-old child — who had stopped breathing — by administering mouth-to-mouth resuscitation.

The certificate of merit is awarded to a sworn officer who is adjudged meritorious in the saving or sustaining of a human life.

On Feb. 12, 1977, at 9 p.m. Trooper Crnkovich stopped at the home of his mother at 3237 Carlson Ave., Granite City.

Mr. and Mrs. Terry C. Inman and daughter, Kristi, of Wood River, were visiting friends at 3236 Carlson.

During the visit, the daughter, Kristi, who had been ill that day, began to shake violently.

As Inman took her into his arms, he noticed that she was not breathing and had started to turn blue.

At this time, Inman ran outside toward his car, intending to rush the girl to the hospital.

He saw a state police car parked nearby and went into the home of Mrs. Agnes Crnkovich. Inman handed the child to Trooper Crnkovich, who realized she was not breathing and placed her on the floor to immediately start mouth-to-mouth resuscitation.

After a short period of resuscitation, the child began to breathe again.

She was then transferred by ambulance to St. Elizabeth Hospital, Granite City, where her condition was listed as good.

Trooper Crnkovich and his family currently reside at Rural Route Seven, Edwardsville.

## Dr. Bauer succumbs

Dr. Otto F. Bauer, 61, a physician who served the Quad-City community for the past 24 years, died at 2:20 p.m. Thursday at St. Elizabeth Hospital, following a lengthy illness.

He had been a patient at the hospital for the last seven weeks.

Dr. Bauer was born in Mannheim-Feudenheim, Germany, on April 30, 1916. He earned his medical degree at the University of Bonn, Germany, in 1941 and had been a practicing physician since that time.

He served an internship and residency at DePaul Hospital, St. Louis, and served as chief resident of internal medicine at St. Louis County Hospital.

Dr. Bauer had been actively serving on the St. Elizabeth Hospital medical staff since 1954. He was past chief of staff, chief of the Intensive Care Unit, and chief of internal medicine at the Granite City hospital.

A member of the American Medical Association, Dr. Bauer

DR. OTTO F. BAUER

also was a member of the Illinois Medical Society, the Tri-City Medical Society and the St. Louis County Medical Society.

He also was a member of Sacred Heart Catholic Church. The internist was in practice

## YMCA capital campaign

Tri-Cities Area United Way approval was voted Thursday afternoon for a capital fund campaign to be conducted about April 15 for improvement of the YMCA, 20th Street and Edison Avenue.

Paul R. Christiansen, president of the board of directors of the Tri-City Area Young Men's Christian Association, said the "Y" plans to seek about \$170,000 and that the total project expense is estimated at \$250,000.

Individuals, institutions and corporations will be contacted but there will be no general public solicitation.

Christiansen commented, "The Tri-City Area YMCA has made great strides in the last year toward financial stability."

"The accomplishments to date have been through the identification of key community needs, development of quality

(Continued on Page 4)

## Accord is sought on treatment

An expansive sanitary sewer repair and trunk line construction program to channel sewage from the East St. Louis, Stites and Canteen Township areas of St. Clair County to the Granite City sewage treatment plant was outlined Thursday by Metro-East Sanitary district officials.

The construction features of the plan, including the cost of a survey to determine the extent of repairs necessary to updating existing sanitary lines that would tie into the proposed trunk line, was estimated at more than \$7 million.

The estimate does not include the additional cost of administration and billing operations and the debt service of outstanding bond issues.

Details of the plan were explained by Wendell Wheadon, executive director of the sanitary district, to a meeting of officials from cities, villages and townships whose residents would be affected by the plan to treat sanitary sewage at the Granite City treatment facility.

The program involves a plan by the Metro-East Sanitary District to route sanitary sewage now receiving primary treatment only at the Lansdowne treatment plant at National City to the Granite City treatment facility, which would provide both primary and secondary treatment.

The Lansdowne treatment plant would be converted to a pumping station moving the sewage flow through a new trunk line into the Granite City plant.

The sanitary district for the past several years has been under pressure from a mandate by the Environmental Protection Agency to provide secondary treatment of sewage going into the Lansdowne facility.

The district refused to participate in an organization of cities and villages that would have sponsored construction of a \$34 million secondary treatment plant to handle sewage treatment for all of East St. Louis, as well as Cahokia, Sauget and other communities in the area.

While the district will be served in its southern section by a proposed new plant that will be built under sponsorship of the village of Sauget, the district has proposed serving other sections of the district through an agreement with Granite City to treat all sanitary sewage formerly given primary treatment at the Lansdowne facility.

Sanitary district officials have been negotiating with Granite City Mayor Paul Schulder and other city officials to finalize an agreement by which Granite City would treat sewage from the Lansdowne plant.

Some city officials have claimed the system would bring the city a substantial amount of revenue that would help amortize the city's bond debt for building the \$12 million secondary treatment plant.

Wheaton announced during the meeting that a fee of \$7.80

per month has been established for sewer users who would be served by the new system. This cost, on the basis of present computations, would pay all costs of the overall program, including construction, administration and debt service over a 20-year amortization plan.

Of this amount, he said, \$3.76 per month would be paid to Granite City for treatment services. The figure is based on the sewer use cost for the average household.

Other costs, he said, would be charged in accordance with the rate ordinance adopted by Granite City which establishes varying fees based on the gallonage of water used.

A total of 8,650 users are projected for the treatment system as of 1980, based on current available figures, Wheaton said. He noted that all estimates given during the meeting are based on current available figures. Separate rate figures have been established for industries using larger amounts of water and thus producing greater flows through the sewers.

Additional breakdown of the \$7.80 monthly fee, Wheaton explained, includes \$1.66 per customer per month to finance the debt service for construction of a \$4.5 million trunk line from the Lansdowne plant to the Granite City plant. This also would cover the cost of converting the Lansdowne plant to a pumping station, Wheaton said.

Wheaton said the sanitary district plans to issue revenue bonds to finance its 25 per cent share of the total cost. Federal grants are anticipated for the remaining 75 per cent of the cost.

Another 73 cents of the \$7.80 fee would provide funds for clerical personnel, administration and other costs in maintaining the system.

Ninety-four cents of the fee would go to debt costs estimated at \$120,000 per year for the bond issue.

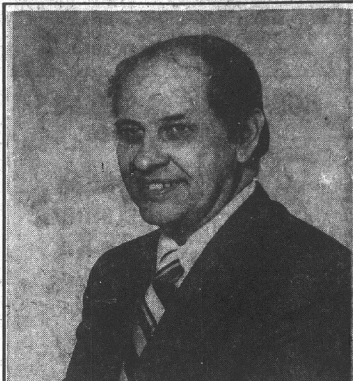

The fee also includes 29 cents to finance a \$1 million sewer system survey to determine what contributory sewers should be repaired in the district's present system of lateral sewer lines. Such a survey also would reveal which sewers are in good enough condition to continue using without repair, and which would hold infiltration to a minimum.

The remaining 42 cents of the \$7.80 monthly fee would provide approximately \$1.6 million to finance repairs found to be necessary by the sewer survey.

"These figures are estimates based on the best available data, but the sewer survey may indicate different approaches which could result in some revision," Wheaton said.

Attending the Thursday meeting were mayors and city officials of Madison, Venice, Nameoki and Canteen townships, the village of Caseyville, National City, Fairmont City, Washington Park, Brooklyn and Stites Township. Representatives

(Continued on Page 4)

ALBERT F. KING

## United Way executive employed

Albert F. King, 49, was employed Thursday afternoon as executive director of the Tri-Cities Area United Way.

He and his wife, Winnie, former Missourians, reside in Cleveland, Tenn. They will be moving here prior to the start of his new duties March 1.

The couple has two sons and a grandchild.

King is a veteran United Way executive director with

extensive fund-raising experience in Fort Lauderdale (Broward County), Fla. and Cleveland (Bradley County), Tenn.

A Navy veteran, King also has had experience in health agency, government and business positions.

His affiliations include the Kiwanis, Elks, historical groups, health commissions, youth organizations and United Way of America regional committees.

## Madison board to fill vacancy

Madison School District residents won't have a voice in replacing Harold T. Fink on the board.

He has resigned, but not effective until March 17, final day of the filing period for board candidates.

The timing means that the one-year unexpired portion of the term will be omitted from this April's board election, Supt. John Palchek confirmed Friday.

Instead, the position will be filled by a vote of the other six board members.

Incumbents whose three-year terms expire this spring are Richard Zeissel and Elvers Johnson, who are running for re-election, and David Miskelley, who hasn't indicated whether he will seek re-election.

Filing of petitions began last week. With March 17 the final day of the withdrawal deadline is March 21.

A letter to Board President Frank Eaves last week — sent by the Madison Branch of the National Association for the Advancement of Colored People, John Henry Williams, president — urged selection of a black resident.

It was asserted, "Because of

the black student percentage, we strongly urge the board to replace the vacancy with a black board member."

"The NAACP Branch would like to present at least three names for the board's consideration, and be granted a hearing on this matter before the board makes the appointment."

"We hope the board will take every opportunity to make sure the students have proper representation."

School authorities say the student population is about even. One of the seven board members is black.

## Bargiel seeks board seat

Paul Bargiel, 1434 Sixth St., Madison, a detective on the Madison Police Department, filed petitions Friday as a candidate for a seat on the Madison Board of Education.

It was the only additional filing since Thursday for board posts open to election in the Granite City, Venice and Madison school elections on April 8. The filing period opened Feb. 22.

## Weather outlook

Considerable cloudiness and not so cold today. High in the 30s. Snow or freezing rain likely tonight with low in the mid-20s. Good chance of snow Tuesday. High in the low 30s.

Probabilities of snow 60 per cent tonight and 50 percent Tuesday. Colder early Wednesday with low about 10. Chance of rain or snow Thursday. Gradual warming Friday with highs in the 40s and low 50s.

## Deficit budget being projected

Nameoki Township has posted tentative highway department budgets totaling \$285,650, which are \$4,900 higher than in the previous fiscal year. The township's 1976-77 fiscal year begins March 1.

The new budgets exceed the anticipated income by more than \$65,000 but some of the

money may be found from sources other than taxation. Taxes will not rise to support the new budgets, since the road and bridge fund and the hard road fund have been at their legal maximum rates for several years.

Taxes to road funds, based upon an estimated \$46 million assessed valuation in the township, should total about \$75,000 to the road and bridge fund and \$76,800 to the special hard road fund, a total of \$151,800.

Additional funds are available from funds not spent during the 1977-78 fiscal year, but that total is not yet available.

At the last township board meeting, the treasurer's report showed \$65,562 unspent, but

## Republican national funds for Ill. House campaigns

(Press-Record  
Washington Bureau)  
Illinois House Speaker  
William Redmond, D-  
Bensenville, did not do his  
homework before blasting the  
Republican National Com-  
mittee for budgeting funds for  
state legislative races, ac-  
cording to an RNC spokesman.

Reacting to a news story that  
the RNC would spend about  
\$100,000 in 10 Illinois legislative  
races, Redmond suggested it  
would be a "laundering" of  
money and urged Gov. James  
Thompson (R) to reject it.

"I am both dismayed and  
angered that this brand of  
Watergate laundering of con-  
tributions, will be used in  
campaigns involving state  
office," Redmond said in a  
prepared statement.

"Citizens will have no way of  
knowing whether such funding  
comes from the long-  
entrenched corporation  
members of the Republican  
Eastern Establishment, from  
Lockheed, the ghost of Howard  
Hughes, or Robert Vesco, who  
has been under the protection of  
Costa Rica since Richard Nixon  
resigned."

Redmond charged that  
contributions to state candi-  
dates could not be traced to  
the sources, but only to the  
RNC.

Charles Black, director of  
campaigns at the RNC, said  
Redmond apparently was  
unaware the RNC has been  
complying with Illinois  
disclosure records, and was  
protesting mainly because he  
would lose the speakership if  
the GOP were in control of the  
House.

"What he did not check or  
does not know is that we have  
been filing disclosure

statements in compliance with  
Illinois law and will continue to  
do so," Black said.

Those disclosure statements  
list the names of all who con-  
tributed more than \$100 to the  
RNC.

"To say that some 'fat cat'  
individuals—I forgot the names  
he mentioned—will be able to  
launder any money into Illinois  
races is absurd. Anyone who  
contributed \$100 or more will  
show up on that report out  
there," Black said.

"He is screaming like a stuck  
pig because he is not going to be  
speaker next year. We have  
been complying with the Illinois  
law, which seems to be very  
protective against laundering of  
money."

"I certainly think if the name  
of anybody who contributes  
more than \$100 is disclosed, you  
are not going to have too much  
laundering."

Redmond is right on one  
score. The RNC contributions to  
an individual Republican  
legislative candidate will show  
up on that candidate's cam-  
paign statements only by  
amount and with the RNC as  
donor.

To find out where the RNC got  
its money, one would have to  
examine the RNC reports which  
Black concedes, may list  
15,000 to 20,000 donors.

It does give the candidate a  
way out if there are any  
questionable contributions. The  
candidate can say that he took  
the money from the RNC and  
does not have any obligation to  
the RNC's many donors.

The question arises because  
this is the first even-numbered  
election year in which the RNC  
has been involved in state  
legislative races (it assisted in  
some 1977 legislative contests).

Black said the \$100,000 is just

a "ball park estimate" of how  
much money would be funneled  
into Illinois.

"It could be \$70,000 or it could  
be \$120,000," he said.

Nor, he said, does the RNC  
yet know which Illinois districts  
will be targeted to receive  
money.

He said they will rely heavily  
on the House and Senate  
campaign committees, the state  
party organization and Gov.  
Thompson to guide them in  
allocating funds.

They will decide after the  
primary elections how the RNC  
funds will be spent, he said.

Black said the RNC plans to  
spend about \$1,750,000 in state  
legislative races and will be  
involved in all the states to one  
degree or another.

About half the money will go  
as direct contributions. The  
remainder will be for the RNC's  
15 field assistants, each  
assigned three or four states,  
and for other staff assistance.

Although the specific amount  
has not been set for each state,  
Illinois will be among the top  
five recipients of RNC cam-  
paign funds, he said.

"States where we will target  
for highest priority are, like  
Illinois, the larger states where  
we will have a competitive ratio  
and a realistic chance to take  
over the legislature," Black  
said.

With Illinois in the top five  
probably will be California,  
New York, Pennsylvania and  
Michigan, he said.

"Of the 10 largest states, we  
have got something going  
everywhere except Texas and  
Florida," Black added.

But the specific targeting of  
funds will have to wait until  
summer when the campaigns  
begin to take more form, he  
said.

### Rites held for Mrs. Decker, 32

Funeral services were held at  
1 p.m. Saturday for Mrs.  
Marilyn Sue Decker, 32, Salem,  
Mo., a former Granite City  
resident who leaves survivors in  
this area.

Friends said Mrs. Decker  
died as the result of ac-  
cidentally injecting medication  
harmful to her. She was born in  
Granite City and lived here until  
moving to Salem three years  
ago.

While residing here, she was a  
bakery manager for the  
National Food Store in  
Belleville.

Surviving are her husband,  
Bobby L. Decker; three  
children, Karry Michael, Jason  
and Charis, all at home; three  
sisters, Sharon Mathis, Evelyn  
Porter and Linda Clutts, all of  
Granite City; her mother, Mrs.  
Mildred Cumbee of Madison,  
and her father, Harry Decker of  
Blandville, Ky.

Burial was in Salem.

## Chiropractors hold spring convention

The spring convention of the  
Illinois Chiropractic Society  
was held last week at the  
Marriott Lincolnshire Resort,  
attended by hundreds of doctors  
of chiropractic fulfilling their  
post-graduate educational  
requirements. Among those in  
attendance was Dr. L.A.  
Shipley, 3278 Edgewood Drive,  
Granite City.

Dr. Dan Michalec, president  
of the ICS, discussed the quality  
of chiropractic health care and  
reported that more patients are  
utilizing chiropractic services.

He said goals of the  
chiropractic profession are  
designed to augment better  
health care, with emphasis on  
disease prevention and  
maintenance of good health  
through drugless methods.

Chiropractors in Illinois treat

three million patients annually  
and represent the largest  
drugless healing profession in  
the world. The chiropractic  
profession is recognized for  
leadership in spinal health care  
and its relationship to the total  
health care needs of society;  
Medicare, Medicaid, work-  
men's compensation and in-  
surance carriers recognize  
chiropractic health care, it was  
noted.

The convention, a biennial  
meeting, was the largest in the  
history of the profession in  
Illinois.

## A GOOD TEAM

VOTE - MARCH 21, 1978 - DEMOCRATIC PRIMARY

PAID FOR BY COMMITTEE TO KEEP ANDY MATOESIAN AS CIRCUIT JUDGE. DR. ALBERT W. TITANI, CHAIRMAN, 52 OAKLAWN, GRANITE CITY, ILLINOIS 62040.

# "Thanks to... you..."

...1977 was the greatest in First  
Bank's 75-year history, and a great  
year for the people of Granite City.

During our 75th Anniversary Year,  
deposits grew by more than \$8  
million, while total assets increased  
from \$72 million to more than  
\$61 million. We're proud of that.

We're also proud of what we did  
with that money. \$2.8 million in  
interest earnings was shared among  
First Bank depositors during 1977.

We increased our total outstanding  
loans to \$42.6 million. These loans  
are predominantly used in our area  
for the purchase of new homes,  
automobiles and other personal-use  
items; and for starting new  
businesses and expanding or  
improving existing businesses.

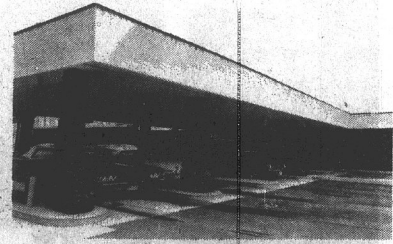

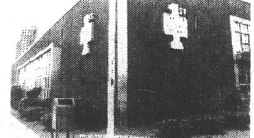

Of this amount, \$22.1 million is  
loaned for real estate, \$8.2 million  
went for installment loans, while  
\$12.3 million was borrowed for  
time loans.

And, more than \$1.2 million was  
paid out in wages and other  
compensation to 100 First Bank  
employees, and more than  
\$675,000 was spent for services,  
supplies and equipment, most of  
which went to local businesses.

It also might be worth noting that  
First Bank paid out more than  
\$250,000 in local, state and federal  
taxes.

In all, we invested more than  
\$47 million locally in 1977. That's  
a big investment, and we're proud  
of it.

But most of all, we're proud of  
**YOU**, our customer; we're proud  
of your continued support, and  
look forward to increasing our  
investment in Granite City  
during 1978!

## Mrs. Wahrenburg, 63, dies

Mrs. Marion E. Wahrenburg (Harlan), 63, of 13 Riviera Drive, died at 2:25 a.m. Saturday at St. Elizabeth Hospital where she had been a patient three weeks.

Mrs. Wahrenburg was a native of Madison and had lived in the Quad-Cities all of her life. She was the daughter of the late Dr. and Mrs. L. C. Harlan of Madison where her father was a physician for many years. She attended Madison schools and Lindenwood College.

She was employed for 25 years as a secretary at Granite City Steel prior to her retirement.

Mrs. Wahrenburg was a member of the First Presbyterian Church in Madison, a charter member of the Junior Service Club of Madison and maintained her membership in the Business and Professional Women's Club.

She is survived by her husband, Fred Wahrenburg; a brother, George M. Harlan of Pasadena, Calif., an aunt, Mrs. Elizabeth Deffenbaugh of Granite City and several nieces and nephews.

Funeral arrangements are given in the obituary column.

## Ernest Carlson, 87, succumbs

Ernest Albert Carlson, 87, of 1803 Sixth St., Madison, a resident of the community for the past 66 years, died at 9:30 p.m. Sunday at St. Elizabeth Hospital.

He had been ill for two days and was hospitalized the same length of time.

Mr. Carlson was born in Muskegon, Mich.

Prior to retiring about 20 years ago, he was employed eight years as a machinist at Edison Tool and Die Co. of

Granite City. Before then, he worked nearly 30 years at Granite City Steel.

He was a member of the International Association of Machinists.

Mr. Carlson is survived by his wife, Mrs. Anna Carlson, two sons, Raymond and John Carlson, both of Madison; two daughters, Mrs. Vasil (Mary) Tanase of Madison and Mrs. Lawrence (Ann) McDowell of Collinsville; nine grandchildren and 20 great-grandchildren.

Funeral arrangements are given in today's obituary column.

## Atenedora Narvaez, 53, dies

Atenedora "Pencho" Narvaez, 53, of 1519 Market Street, Madison, died at St. Elizabeth Hospital at 6:15 a.m. Saturday after an illness of two days.

Mr. Narvaez, a native of Mexico, lived in Madison 19 years. He was employed at Laclede Steel Co. for 27 years as an laborer.

He was a member of St. Mary's Catholic Church and a member of the Mexican Society. He is survived by his wife, Mrs. Mary Narvaez; four sons, Luis of Mexico, Theodore in the U.S. Marines at North Carolina, and Fernando and Roberto of Madison.

Funeral arrangements are listed in today's obituary column.

## Cecil Snider dies at 62

Cecil Charles Snider, 62, of 2019 Fifth St., Madison, died at St. Elizabeth Hospital at 2:02 a.m. Saturday following a one week illness.

He had been ill seven days and was a patient in the hospital seven days.

Mr. Snider was a resident of the Quad-Cities 55 years. He was a furnace helper at the former General Steel Industries plant for 35 years prior to his retirement seven years ago.

He is survived by two sisters, Mrs. Lucille Dutton of Armada, Mich., and Mrs. Loretta Lancaster of Rolla, Mo.

Funeral arrangements are given in the obituary column.

## \$10,000 Damage in house fire

Fire caused an estimated \$10,000 damage Sunday evening to the home of John Richardson, 2333 Terminal Ave.

Family members were burning fringes from a planter when the fire got out of control and a bedroom started burning. The fire spread to a hallway and a closet before it was extinguished.

Firemen were on the scene one hour and 35 minutes. Damage was estimated at \$4,500 to the building and \$5,500 to its contents.

## APA meeting at levee board office

The Association for Protection of Animals will meet at 7 p.m. Tuesday at the Metro-East Sanitary District office, 1801 Madison Ave.

Mrs. Marsha Shea and Mrs. Connie Becerra, new co-presidents of the local APA chapter, said today anyone interested in learning more about the non-profit organization is invited to attend the meeting.

## Services held for Mrs. Edwards, 63

Funeral services were held Friday at 11 a.m. at St. Mark's Catholic Church in Venice for Mrs. Minnie Lee Edwards, 63, of 720 Jefferson St., Madison.

Mrs. Edwards was pronounced dead at her home Feb. 20 after apparently suffering a heart attack.

Survivors include a foster son, Larry Barton of Madison; foster daughters, Mrs. Karen Winters and Mrs. Cecelia Sellers, both of Madison; two brothers, Emmet and Thomas Dubcan, both of Los Angeles, Calif.; and two sisters, Mrs. Luis Jenkins of Madison and Mrs. Velma Carter of Los Angeles.

Burial was in the Sunset Gardens of Memories at East St. Louis.

## Rites for mother of GC residents

Funeral services were held at 2 p.m. Saturday at the Belleville funeral home for Mrs. Elizabeth Wetzel, 78, of Belleville, mother of two Granite City residents.

She died Thursday in St. Elizabeth Hospital, Belleville. Survivors include daughters Mrs. Vera Peck and Mrs. Elda Surman, both of Granite City. Mrs. Wetzel also leaves four sons, seven other daughters, three brothers and two sisters.

**AWARD TO ABRAMS**  
A "gold butter" award was presented to Abrams Realty One of Granite City at Realty One's 1978 kickoff conference, held at the Fairview Heights Ramada Inn. John Glynn spoke on farm brokerage and Tom Sooy discussed commercial investment.

## Thomas J. Dykla, 53, dies

Thomas J. Dykla, 53, of 2129 Dawn Ave., died at 1 p.m. Saturday in the Emergency Room at St. Elizabeth Hospital, shortly after arriving there by ambulance.

Mr. Dykla was getting ready to leave the house to go shopping when he was suddenly stricken and an ambulance was summoned to the home. An inquiry is pending.

Mr. Dykla was employed in the Pest Control Department at the Granite City Army Installation, where he had worked for the past 25 years. He was a U.S. Army veteran of World War II, having served

overseas as a member of the military.

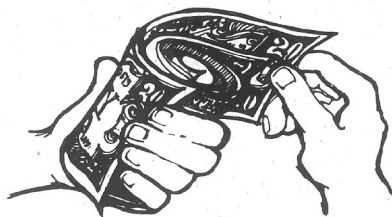

A native of Two Rivers, Wis., Mr. Dykla had resided in Granite City 16 years. Previously, he lived in St. Louis.

Surviving are his wife, Mrs. Mary Louise Dykla; two daughters, Mrs. John (Phyllis) Pickler of Granite City and Mrs. Robert (Nancy) Robbins of Madison, his parents, Mr. and Mrs. John (Aurelia) Dykla of Two Rivers, Wis., and two grandchildren.

Funeral arrangements are given in today's obituary column.

# Deficit

(Continued from Page 1)

some of that may be obligated for work done during that fiscal year.

The tentative road and bridge fund budget appropriates \$144,350, which is \$5,300 higher than the \$139,250 in the previous fiscal year. However, the 1977-78 fiscal year budget for the road and bridge fund was inflated for \$300,000 in drainage funds which were never received.

Last April, the township electors at the annual town meeting voted to transfer \$30,000 in surplus township funds from the town fund and revenue sharing fund to the road and bridge fund for drainage. However, the town board later refused to honor that request and never made the transfers.

The tentative budget posted for the 1977-78 fiscal year, before the \$30,000 was added, was \$109,250 for the road and bridge fund, making the new tentative budget \$55,300 higher than last year's budget before it was inflated.

The permanent road fund appropriates \$120,500 for the maintenance of hard roads, which is \$6,500 lower than the \$127,000 in the permanent road fund last year.

The appropriation for municipal retirement is \$20,000, up \$8,000 from \$12,000 last year, due to increasing retirement premiums. Last year's bridge budget appropriated \$1,900 as

final payment on a new bridge in State Park Place. There is no bridge budget this fiscal year.

The new road and bridge fund categories and the amount appropriated for each, with last year's appropriations in parentheses:

Drainage \$20,000 (\$46,200); administration \$50,050 (\$34,750); maintenance of roads \$42,500 (\$38,300); purchase machinery \$14,000 (\$3,000); repairs to machinery \$14,000 (\$12,000); and contingencies \$4,000 (\$5,000).

Possible sources of income to help offset the \$65,000 deficit in the budget include contract work for the village of Ponton Beach, repairing the village streets in return for payments to the township from the village's motor fuel tax funds.

The town board also may approve transfers from other funds to the highway department for drainage, to help offset deficits or for specific improvements.

A public hearing on the new road budgets will be held at 7 p.m. Tuesday, March 28, at the town hall, 4250 Highway 162.

**FOOD STAMPS STOLEN**  
Sandy Cheatham, 4000 Kirkpatrick Homes, reported Thursday that a book of food stamps was taken from her purse last week. She believed the rear door window was pushed open partially and the door unlocked by reaching through the window.

# Charge four with fighting

A fight at the Jack in the Box Restaurant, 3330 Nameoki Road, which police said occurred when one car cut in front of another in the drive-in food line, resulted in the arrest of four men at 1:30 a.m. Saturday. Police reported they arrived to find four men fighting on the restaurant lot.

Arrested were Tony S. Montgomery, 19, St. Louis; Larry W. Colard, 32, of 3022 Myrtle Ave.; William A. Lewis, 24, of 2205 Grand Ave.; and Larry D. Harvey, 26, of 625 Lincoln Ave., Venice.

All were charged with fighting and were released on bonds.

# Dr. Bauer

(Continued from Page 1)

here with his wife, Dr. Maria Bauer, since 1964, and with Dr. Maajid Siddiqui, who became associated with the husband and wife team in 1975.

Dr. Maria and Dr. Siddiqui will remain in practice here. Besides his wife, Dr. Bauer is survived by a son, Joachim Bauer, DDS, of Edwardsville; two daughters, Ingrid Bauer, DDS, of Belleville and Miss Christy Bauer, at home; a sister, Dr. Martha Triller of Germany; and four grandchildren.

Funeral services were held at 10 a.m. Saturday at Sacred Heart Catholic Church. Details are given in today's obituary column.

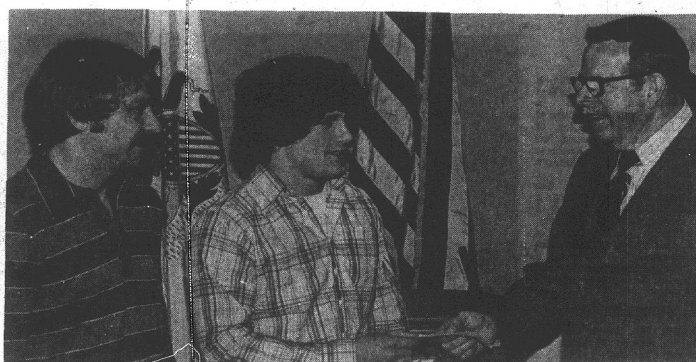

# Accord

(Continued from Page 1)

tatives of the National Stockyards, the Illinois EPA and engineering consultants also attended.

Wheaton said the next major step in the program will be to formalize the agreements with Granite City necessary to use of the Granite City treatment plant.

**TREATED AFTER CRASH**  
Robert Jolly, 32, of 2015 Russell St., suffered back pain after an auto accident Thursday at 10:10 p.m. Thursday. X-rays were taken and he was released.

LETTERMEN'S DONATION of \$100 is presented here last week by Mark Goldschmidt, center, president of the South Lettermen Club, to the chairman of the large gift division of the South sports complex fund, Warren Decatur, right. Also on hand for the presentation is Greg Paton, left, sponsor of the Lettermen Club. The donation will aid in the lighting of the baseball and soccer fields at the South sports complex on Fehling Road.

# Obituaries

**BAUER, DR. OTTO F.** 324 Princeton Ave. Entered into rest at 2:20 p.m. Thursday, Feb. 23, 1978, at St. Elizabeth Hospital.

# Joseph Gonzalez dance aids student grants

The Joseph Gonzalez Scholarship Dance, sponsored by the Mexican Honorary Commission (MHC), is set for 8 p.m. Saturday at the commission's hall, 1801 Spruce St. Tickets costing \$2 each are available from MHC members. Arnie and Annie's tavern and Mendoza Sporting Goods may be purchased at the door Saturday.

Music for dancing will be furnished by Manzo's "All Occasions." Mexican food will be served under the supervision of Robert and Dot Robins and beer and setups will be available.

Proceeds from the event are added to the Joseph Gonzalez Scholarship Fund, which assists deserving students entering college.

Mr. Gonzalez, a counselor at Granite City High School South, died of injuries sustained in an auto accident in June 1970.

At a commission meeting last week, the MHC officers presented a scholarship grant to Mr. Gonzalez's only son, Steven Gonzalez, who attends school in Missouri.

Scholarships already have been awarded to Wesley Grinn and Vincent Martinez through the fund, according to John Valencia, who urged the public to support the grant program by attending the dance.

# Apartment damaged

An apartment at 2431R Adams St., was ransacked and damaged by an intruder who set fire to a davenport, burned the living room rug, broke off several cabinet doors and broke out a bedroom window. Ray Heath, owner of the property, reported at 11:35 a.m. Saturday.

Police said they are seeking a man who was seen dragging the smoldering couch into the rear yard.

**ADMITTED TO HOSPITAL**  
William E. Holman, 72, of 2306 Washington Ave., was admitted to St. Elizabeth Hospital at 3:55 p.m. Saturday. He was allegedly hit in the face with a beer bottle in a Madison tavern. The incident was reported to police at 10 a.m. Sunday. He reportedly was bleeding from his left eye, nose and left cheek when admitted.

**REINHARDT—Realtor**  
Sells—BETTER LIVING!!

# Homer Cox, 42, killed by car

Homer Cox, 42, Washington Park, was pronounced dead upon arrival at St. Elizabeth Hospital at 2:25 a.m. today after he was struck by an auto off Business Route 40 at the entrance to Cahokia Mounds State Park at 1:40 a.m. today.

Carroll Todd, Madison, Ind., the driver of the auto, said Mr. Cox was walking in the middle of the road and Todd swerved to miss him, but was unable to do so.

# Disco dance class at 'Y'

A new series of Disco lessons will begin March 6 at 6:30 p.m. The Sunday evening class meets for two hours four consecutive Sundays for a total of eight hours of lessons at a cost of \$8 for members and \$12 for non-members.

Severely Carter is the instructor. Her lessons will include instruction in the latest moves in line dances, swing, bus-stop, bump, and much more. Registration is based on a first-come, first-served basis. Pre-registration may be obtained by calling the 'Y' at 876-7200.

# Y.M.C.A.

(Continued from Page 1)

programs, and marketing of the product.

"At our most recent board meeting, the board of directors unanimously approved our most ambitious project to date, racquetball."

"The addition of racquetball to the YMCA involves extensive structural and financial analysis."

"The committee to date has presented an initial report that clearly indicates: first, a need for racquetball in the area; secondly, the financial stability of the program; and thirdly, various community projects and services that can be extended through this income source."

"The primary obstacle with respect to racquetball is, of course, the initial capital cost."

"All preliminary figures indicate that the addition of courts will cost approximately \$100,000, with another \$97,000 in related renovation."

"Our initial funding plan is to request a portion of this funding from major corporations and institutions in Granite City and finance the remaining amount through local banks."

"The racquetball committee and YMCA board of directors spent a considerable amount of time studying the feasibility of fund raising and the effect a drive would have on the community."

"It is our opinion that the best possible time to conduct this limited major gifts and special gifts financial drive will be on or around April 15."

**ELECT YOUR OWN JUDGE WM. E. "BILL" JOHNSON**

## Films add to surgery patients' understanding

Six audio-visual films with accompanying booklets — explaining specific types of surgery — are being used by patients awaiting surgery on the fourth floor of the Doctor's Wing of St. Elizabeth Hospital. Presentations include breast surgery, hernia surgery, colon surgery, a thyroidectomy, a cholecystectomy and a hemorrhoidectomy.

The films run for approximately 15 minutes and the booklets are from 16 to 18 pages. The explanation is detailed, and yet relatively easy to understand.

The films and booklets supplement physicians' explanations by giving details of why the operation is needed, how it is done, what to expect without it, and why the patient should be aware of possible risks with the type of procedure.

The patient is encouraged to question his or her doctor after viewing the film and reading the corresponding booklet.

The films and booklets, called the "Physician's Partner System," are donations of Dr. Robert M. Lay.

Mrs. Mary Butler, a patient who underwent gall bladder surgery, viewed a related film the evening prior to her operation.

She said the film gave her a more concrete understanding of what would happen during surgery and provided her with information of which she was not aware.

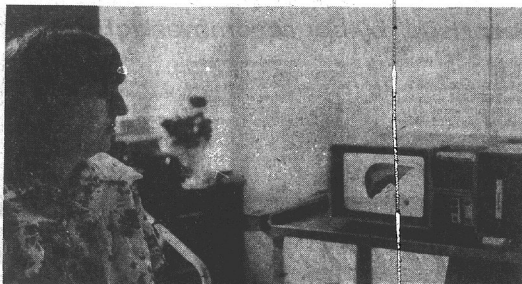

"Knowing what I should about the surgery helped put my mind at ease."

"If I would need surgery again, I would hope to have access to another tape," Mrs. Butler said.

Another patient, who viewed the breast surgery film before her operation, commented on the tape's comprehensive coverage of possible happenings with that particular surgery.

A registered nurse by profession, this patient said that the film is especially advantageous to the patient because it discusses pertinent questions many women would not think to ask.

"Tapes (such as these)," she added, "also are beneficial to surgeons who work according to busy schedules that do not allow them the time to detail each aspect of a surgical procedure."

**SURGERY EXPLANATION** is provided not only by surgeons at St. Elizabeth Hospital but also by a series of films that answer numerous questions for patients.

## Park rink receipts climb

An increase in receipts at the Wilson Park ice rink over last season was noted in a report presented last week at a meeting of the Granite City Board of Park Commissioners. Superintendent of Parks Harold Brown compared attendance and financial aspects of the rink's operations, using figures compiled through Feb. 12 for both last year and the current season.

Brown said receipts at the rink through Feb. 12 amounted to \$47,253, compared to \$42,611 in the 1976-77 operational year. The difference primarily is reflected in the area of miscellaneous sales, including helmets, hockey sticks and similar items, amounting to \$2,400, a service which was expanded this season over last.

Book ticket admission sales are up about \$700 and non-rental fees also have increased to \$1,700, Brown said. Attendance figures this year of 12,260 are less than in the past season by 1,285, the park officer said.

He explained, however, the substantial difference is the result of rink attendants not having tabulated at the start of this season the number of persons who attended using book tickets and season passes, a procedure which since has been rectified.

Permission for several organizations to use park district facilities also was granted by the board last week. Among the requests approved

were those from the Lutheran Bureau to hold its annual Sunrise Services on March 26 at Wilson Park ice rink; and the Granite City Optimist Club for a sausage and pancake breakfast, Sunday, April 6, at Nameoki Recreation Center.

The Thomas Mortuary baseball team was given authority to use Diamond One on Sundays for play in the Inner City League, and the Downtown Neighborhood Restoration Society was granted approval to utilize the 24th Street Parkway for a craft festival on May 7.

Also approved were use of the ice rink as headquarters for the annual March of Dimes Walk-A-

Thon, Sunday, April 9; and a Memorial Day weekend softball tournament, sponsored by Sammy's women's softball team.

Among other items discussed were park district employees now being under the Illinois minimum wage law and the proposed construction of a drainage pond in the vicinity of Worthen Park and the new Town and Country subdivision.

It was announced that Brown will serve on the conference committee for the Illinois Association of Park Districts' convention in November, scheduled to take place at Stouffer's Riverfront Inn.

## 'Black magic' stage musical

"Black Magic," a musical stage production, will be presented Thursday, March 2, at Southern Illinois University at Edwardsville through the auspices of the Black Student Association (BSA) at the university.

The show, which is set in a recording studio in 1977, will begin at 8 p.m. Thursday in Meridian Hall of the University Center.

The musical deals mainly with the 20 years between the '50s and '70s, "a period when color lines disappeared and popular entertainment from all sources merged into one, separated only by the signatures of the individual artists," a BSA (692-2248) spokesman said.

"Imagine the '50s without Chuck Berry, Fats Domino or Ray Charles, the '60s without Aretha, Franklin and Jimi Hendrix, or the '70s without Stevie Wonder, Roberta Flack and Diana Ross," the BSA announcement said.

"The history of the record business in the last 30 years has been largely the history of the black artists who galvanized the world with their music." Tickets for the performance will be available at the door. They are \$1 for students and \$2 for non-students.

## Johnson 'not surprised' by bar recommendations

William E. Johnson, Democratic candidate for circuit judge in the March 21 primary election, said in a statement last week that he "was disappointed but not particularly surprised" by an Illinois Bar Association poll that endorsed Andreas "Andy" Mateosian for the primary.

Johnson said: "A recent poll answered by 164 out of the 350 lawyers polled, indicated that I was not recommended by their group. 'I was disappointed, but not particularly surprised. I have always given the people the first priority in my 12 years as a judge, as obviously some lawyers were often upset by that.

"I may have some political enemies, because I am involved in a contested campaign, but I have not hired a public relations man or company to change my image."

"I still believe in law and order, and this is contrary to many criminal lawyers' interests. They prefer a judge who is easy on crime. I do not cater to any special interest groups or legal persuasions, except to treat every citizen fairly and equally."

"In over 12 years as a judge, I have handled thousands of cases, have never evaded an issue, and have also served at the request of the circuit judges for two years in the family court."

"This is longer than any other judge has served. This court is the toughest and most vulnerable to criticism. To me, this indicates that the highest confidence was placed in me by the circuit judges."

Mon., Feb. 27, 1978 Page 6

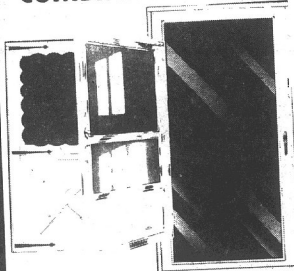

"My opponent has never been assigned to that court for any length of time. If elected by the people, my attitude for honesty, fairness, equality, and against crime will not change. I am dedicated to that proposition."

## Child discipline conference topic

A two-day conference on discipline will be held at Southern Illinois University at Edwardsville Friday and Saturday, March 3-4, according to Bonnie Little, coordinator of Conferences and Institutes at the university.

Designed for parents, teachers and educational administrators interested in solving discipline problems, the conference will deal with the problems as they relate to the home and to the school.

Sessions will meet on the second floor of the University Center in the area formerly occupied by the School of Business.

Registration will begin at 6:30 p.m. Friday, with the general session meeting from 7:30 until 9:30 p.m. On the following day, the conference will begin at 9 a.m. and continue until 4 p.m.

Registration for the two days is \$30 and includes all conference materials as well as a luncheon on Saturday.

Sponsored by a California educational group, the conference will involve teachers and parents in a fresh look at discipline together, providing them with new techniques for teaching responsibility.

"Children know the limits and agree to observe them. By involving them in rule-making, and by emphasizing the reasonableness of those rules, the likelihood of their keeping the rules is greatly increased," Patricia Goebel, assistant professor of speech communication at SIUE, said.

Additional information concerning the workshop may be obtained by contacting Mrs. Goebel at 692-3090.

## 3 seek re-election to Area College board

Three seats on the Belleville Area College Board of Trustees will be among 92 filled in 37 community college districts in Illinois in April. All persons chosen for these positions will serve until November 1981.

This marks the last annual election for community college board members. It is also the last community college election to be held in April.

As a result of the election consolidation bill signed into law by Governor James Thompson, future community college elections will be held in November of each odd-numbered year.

In Illinois, each of the 29 community college districts has seven voting members and one non-voting student trustee who is selected by the student body. Two districts, State Community College in East St. Louis and the City College system in Chicago, have trustees appointed by the governor and the mayor of Chicago, respectively.

All other districts, the seven voting trustees are directly elected by the residents of the community college district.

Three incumbents are seeking re-election to the Belleville Area College (District 522) Board of Trustees. They are Mearl Justus of Cahokia, Edward F. O'Malley of Belleville and John A. "Jack" Becker of Sparta.

District 522 covers the southwestern area of Illinois from New Douglas to Chester and Rockwood and from Valmeyer, Cahokia and Madison-Venice, Granite City on the west to Pierson and Steeleville on the east.

The company is composed of a group of acting professionals who concern themselves with the development of the students. The students not only observe the productions, but also participate in them.

They also help to make decisions about the plot, perform on stage, and talk with the actors afterward during a question and answer period.

Motivation is considered the key factor in aiding the students in improving their reading skills and their self-concept, school officials said.

## Pupils to see Robin, Hood, Peter Pan

Earth Productions, Inc., an arts educational touring company from Chicago will present "Robin Hood" at 9:15 a.m. Wednesday and "Peter Pan" at 1 p.m. Wednesday in the Venice School gymnasium for students in kindergarten through grade 12.

Mrs. Althea Cross, director, Title VII Project Micro, said brochures have been distributed to the teachers so that they can discuss the productions with the students prior to their arrival.

The company is composed of a group of acting professionals who concern themselves with the development of the students. The students not only observe the productions, but also participate in them.

They also help to make decisions about the plot, perform on stage, and talk with the actors afterward during a question and answer period.

Motivation is considered the key factor in aiding the students in improving their reading skills and their self-concept, school officials said.

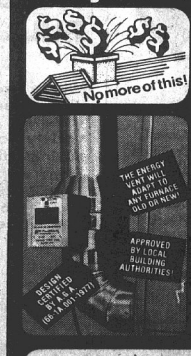

## Campaign fund dance

A dance to raise campaign funds for James Estes, candidate for Madison County sheriff, and Morris Miles for Madison County Board, is to be held on Saturday, March 4, with a dinner at 7 p.m., followed at 9 p.m. by dancing.

The event is sponsored by the District 16 Friends Committee. Tickets are being sold for \$10 each.

## Nashville stars to perform in Country Western Show

A country western extravaganza featuring widely known singers and musical artists from Nashville, Tenn., will be presented on Sunday, April 9, in Memorial Gym at Granite City High School South campus at two performances, beginning with one at 2:30 p.m. and an evening show at 7:30.

Dottie West and her entourage and "The Kendalls" a father-and-daughter team with their accompanists, will highlight the two shows sponsored by the Tri-City Shrine Club.

Co-chairmen are Kelly Hogan, Kerry Ervay, Jack Fricker and George Stevenson. Proceeds from the event will benefit the St. Louis Shriner's Crippled Children Hospital, the chairman added.

Tickets costing \$4 per person (cash only—no checks will be accepted) will go on sale Wednesday, March 1, in Granite City at the Colonial Bank, 3400 Pontoon Road, Sketty's Jewelry Store, 1304 Niedringhaus Ave.,

and Fornazewski Music Store, 3009 N. Main St. The tickets also will be on sale in the surrounding area including Baxter Distributing Co., 912 E. Broadway, East Alton.

There will be no reserved seats for the show, which is open to the public, and seating will be on a first-come, first-served basis.

The Compacts and Provost Guard will be in charge of parking and security and Shrine Club members will serve as ushers.

Dottie West, a Grammy award winner is best known for her recordings of "Paper Mansions," "I Was Born a Country Girl" and "Country Sunshine."

She has recorded 23 albums on RCA including, Country Sunshine, Carolina Cousins, Careless Hands and A Legend in My Time.

The country western star has appeared on television with Eddy Arnold TV Special, Country Hit Parade TV, Music

Country USA, Hee Haw, Pop! Goes the Country, Glen Campbell Show, Jimmy Dean Show, Mike Douglas, Good Ole Nashville Music, Nashville on the Road, Action Auction TV, Porter Wagoner Show, A.M. Chicago, Music Hall America.

She has made personal appearances at many state fairs, at hotels and clubs throughout the country, including the Plantation Dinner Theater in St. Louis.

She also has toured Europe on two occasions, attended the Wembley Festival in London and appeared with the Memphis (Tenn.) and Kansas City (Mo.) symphonies.

"There's been 52 cuts of 'Here Comes My Baby' that I know of," she said. In all, she estimates she has written 350 to 400 songs, during her musical career.

Miss West is the oldest of 10 children and lived on a farm near McMinnville, Tenn. She earned her way through college with her singing and received her degree in music from Tennessee Tech in Cookeville.

She and her second husband, drummer Bryon Metcalf, and her four children (by her first marriage) reside in Nashville.

Royce Kendall was working as a barber and his daughter Jeannie, a 15-year-old high school student, decided in 1969 to take a stab at professional music after they started singing together around the house in St. Louis, just for fun.

They first recorded an album which was not an overnight success but later Jeannie suggested they record "John Denver's" "Leaving on a Jet Plane." Their record of that song quickly zoomed to top 20 on the country charts, for Ovation Records.

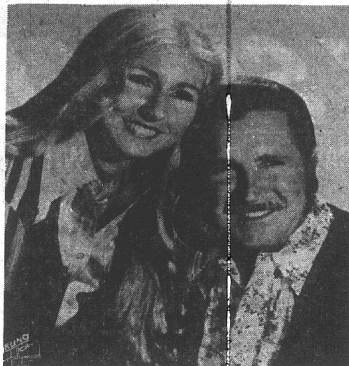

Their second Ovation single, "Heaven's Just a Sin Away," was a major country hit, the most heavily requested record in many top markets and a significant pop crossover.

They went to Nashville to record a custom session and the record caught the attention of steel guitar man, Pete Drake, who signed them to his Stop Records.

In late 1969, they cut their second session, which included "Jet Plane," and with the success of that record the family moved to Nashville.

They have since recorded with Stop including such songs as "Two Divided By Love" and "You've Lost That Loving Feeling," and with ABC-Dot and the Chicago based Ovation Records.

Their success as a father-daughter duo is attributed to Royce's staunch country leanings and Jeannie's hip, adventurous tastes, according to their critics.

THE KENDALLS, Jeannie-Kendall and her father Royce Kendall of Nashville, Tenn., widely-known country western singers who will entertain at Memorial Gym, Granite City High School South campus, on Sunday, April 9. Sponsored by the Tri-City Shrine Club the show includes two performances at 2:30 p.m. and 7:30 p.m. Tickets will be available after Wednesday, March 1, at area locations.

DOTTIE WEST will be among the Nashville, Tenn., stars to appear on a Country Western Show on Sunday, April 9, at Memorial Gym at Granite City High School South campus. The show will be presented at 2:30 p.m. and at 7:30 p.m. and is sponsored by the Tri-City Shrine Club, under the direction of Co-chairmen Kelly Hogan, Jack Friches, George Stevenson and Kerry Ervay. Tickets will go on sale at area locations on March 1.

## Park-ride lot here part of transit plan

Nelson Hagnauer, chairman of the Madison County Board, has announced that freeway bus services are among the transit system improvements which the East-West Gateway Coordinating Council has selected to recommend to the Urban Mass Transit Administration (UMTA) for further detailed analysis.

The board's recommendation last week to UMTA includes a combination of three transit types for metropolitan St. Louis: local bus, freeway bus, and light rail (trolley) services.

Bi-State Development Agency, which now operates bus service in the metropolitan area, will operate the new transit system when it is implemented.

Hagnauer, a member of the Gateway board, said that because of the relatively low density of population in Madison County, rail transit proved impractical.

"Public transportation in any form must be subsidized to some extent," Hagnauer said. "However, the system must be able to share proportionately in the burden of costs through its farebox collections."

"Population estimates for Madison County reveal that the amount of ridership on rail transit would not justify the large capital expenditure of implementing that system here."

Regionwide improvements to the transit system adopted by the Gateway board total \$512 million and must be sent to UMTA for final approval.

If the UMTA concurs with the board's recommendation, further analysis, including an

"environmental impact statement," must be undertaken.

The analysis will also determine the financial arrangements for the improvements.

Improvements recommended for Madison County include freeway bus lines on the interchange of Interstates 55-70 in Collinsville, on Interstate 270 near Edwardsville, and a park-and-ride lot near Granite City so that the line can serve this area.

In other action, the board endorsed a City of St. Louis urban development action grant (UDAG) pre-application. The city plans to use this \$18.5 million grant to assist a proposed May Company shopping mall, to initiate a middle-income housing development north of the new convention center, and to revitalize Cochran Gardens apartments.

The Gateway board endorsed an application by the City of Pleasant (Mo.) for a community development block grant of \$693,000. The city plans a variety of uses for the funds, including housing rehabilitation, stormwater improvement and historical restoration.

The board also endorsed a water distribution system grant application by O'Fallon Township, Ill. The proposed \$1,900,000 system would serve rural areas of the township. The board additionally recommended that the City of O'Fallon and St. Clair County work toward an intergovernmental agreement of the project area.

The five-month Department of Defense school provides students with intensive instruction related to national and international security.

The major, a 1982 graduate of Assumption High School, received his bachelor of arts degree in 1966 from the University of Illinois and was commissioned through the Reserve Officers Training Corps program.

He received his master's degree in 1973 from Central Michigan University's extension at Wurtsmith Air Force Base, Mich.

His wife, Leanna, is the daughter of Mrs. Ann Paisgrove, 2311 Pontoon Road, Granite City.

CARL CAMP who was accorded honors as the "Good Citizen" award recipient, representing Madison High School, at a tea hosted by the Drusilla Andrews Chapter of the Daughters of American Revolution. The son of Mr. and Mrs. Carl Camp of Madison, he was among four other area pupils receiving special recognition as outstanding students in the Quad-Cities. Camp was unable to attend the afternoon event due to his employment schedule.

## Attending armed forces staff college

U.S. Air Force Major David W. McIlvay, son of Mr. and Mrs. Wendell McIlvay, of 62 Riviera Drive, Granite City, is attending the Armed Forces Staff College at Norfolk, Va.

## DAV officers installed

Robert Kennerly of Granite City has been installed as commander of the Granite City post of Disabled American Veterans.

Other officers installed include Lawrence McGuire, senior vice commander; Andrew Gilchoff, junior vice commander; Joseph Hefferly, treasurer; and Jay Miller, chaplain.

Plans were discussed during the meeting for the state DAV convention to be held June 1 through 4 at Elgin, Ill.

The chapter also received a national citation for meeting its membership quota for the 1977-78 year.

Kennerly and Hefferly are to attend a DAV executive meeting in Effingham on March 4 and 5, it was announced.

In a separate meeting the DAV chapter's auxiliary elected Lena Kalpis as commander and Bertha Kichler as senior vice commander.

Patricia Macke was elected junior vice commander, Ruth Nunes as treasurer and Harriet Kennerly as chaplain.

Other members attending were Mary Nonn, Lorraine Groves and June Sherriger who was named adjutant.

OFFICERS MEETING  
The Metro-East Juvenile Officers Association will be hosted by the Granite City Police Department at Charlie's Restaurant beginning at 7 p.m. Monday. The topic to be discussed will deal with child abuse.

They went to Nashville to record a custom session and the record caught the attention of steel guitar man, Pete Drake, who signed them to his Stop Records.

In late 1969, they cut their second session, which included "Jet Plane," and with the success of that record the family moved to Nashville.

## Bus use saving fuel

Bi-State buses are expected to save more than 46 million gallons of fuel for metropolitan area consumers in 1978 as the agency's 161 bus lines, traveling about 10 miles on each trip.

Based on national fuel consumption figures, Bi-State estimates that 46,173,000 gallons of fuel are saved annually by persons relying on its transit system. At 60 cents per gallon, the net fuel saving is approximately \$27,700,000.

The APTA report notes that a medium-sized car driven 10,000 miles annually for three years costs 361 cents per mile to operate, including estimated expenses for gasoline, oil, parts, service, repair, license, fees, insurance, interest and depreciation. Operating expenses of an auto in 1978 are expected to be seven percent higher than those in 1977.

Bi-State, whose 25-cent basic bus fare is one of the lowest in the nation, has suspended collection of 10-cent zone charges in St. Louis County through a cooperative agreement with that county.

Bi-State patrons make an average of slightly more than one million trips per week on the agency's 161 bus lines, traveling about 10 miles on each trip.

Based on national fuel consumption figures, Bi-State estimates that 46,173,000 gallons of fuel are saved annually by persons relying on its transit system. At 60 cents per gallon, the net fuel saving is approximately \$27,700,000.

In IHSA state wrestling meet . . .

# South finishes seventh; Whelan upset

By DOUG IRVIN  
For the Press-Record  
CHAMPAIGN — Upsets were the rule and not the exception here Friday and Saturday at the Illinois High School Association (IHSA) State Wrestling Finals. A total of 11 unbeaten wrestlers fell in the competition. The most noticeable of these upsets occurred in the 112-pound class championship bout.

Granite City North's Khris Whelan, who entered the final bout with a 41-0 record, lost a controversial 6-5 decision to Orland Park's Don Stevens in the title matchup.

In the first period of the bout, with Whelan leading 2-0, Stevens was given two points for a reversal, which most of the 10,400 onlookers didn't seem to see.

With most of the record crowd booing its displeasure at the call, the two alternate referees stopped the bout and had a conference with the official who had made the call. After all was said and done, the two points stood and later proved to be the difference in the final score, thus sending Whelan down to defeat for the first time in over two seasons of competition. He

won the state championship last season as an unbeaten 96-pounder.

Granite City South's Sam Perkins also finished second in the state in his weight class, 138 pounds.

Perkins was pinned in his title tilt by Jim Farina of East Leyden (Franklin Park) in 1:44, which was a new tournament record for the fastest pin in a championship bout.

Yet another Granite Cityan, South's Darrell Hasty, placed in the competition. He claimed third place honors in the 145-pound class by decisioning Steve Chiaro of Naperville in the third-place bout, 11-7.

Teamwise, South finished seventh in the state-wide competition with 38.5 points. North finished in 16th place with 26 points.

State champions were Dane Nasenbenny of Joliet West, 98 pounds; Mark Trizzino of Joliet Central, 105; Don Stevens of Sandburg in Orland Park, 112; Jerry Kelly of Richard in Oak Lawn, 119; Randy Conrad of East Leyden in Franklin Park, 126; Dave Krist of East Leyden, 132; Jim Farina of East Leyden, 138; Steve Ratcliff of Crystal

Lake, 145; Jeff Guidish of Sandburg, 155; Curt Phelps of Joliet West, 167; Alan Speagle of Bremen in Midlothian, 165; Kurt Bankston of East Leyden, heavyweight.

East Leyden went home, after the tournament, with 129.5 points, a first place team trophy, and four individual first place champions.

Teams finishing directly behind East Leyden were Joliet West with 67 points and two champions; Richards (Chicago) with 64 points and one champion; Bremen (Chicago) 52.5 points with one champion; Sandburg, 47 points and two champions; La Salle-Peru, 40.5; and South's 38.5 points.

Other teams from this area finished as follows: Belleville West 13th (30.5 points), East St. Louis Sr. 63rd (six points), Carbondale 84th (2.5 points), East St. Louis Lincoln, 96th (two points), and Roxana 107th (one point).

In Whelan's upset loss to Stevens, North's 112-pounder took his opponent down first, only to have him escape. Whelan again got a takedown, but Stevens then got that con-

## Trojans edge Lovejoy; capture regional crown

By PETE HAYES

Press-Record Sports Editor  
DUPO — There's an old belief that if one part of the body becomes disabled, another part will take over and become stronger to make up for it. The same could be true for basketball teams... just ask Madison coach Larry Graham.

His Trojans were outscored by Lovejoy from the field by 14 points here Friday night, but made up for it by making 29 out of 41 free throws to go on an claim a 77-75 win and in the process, take their third Dupo Class A (750 enrollment or less) championship.

The defending state champions made an astounding 16 of 23 charity tosses in the final quarter, including two critical ones by Anthony King with 11 seconds left which led the victory away.

"It was sure sloppy out there, but we got it," said Graham. "I'm just glad to get out of there alive."

Said Graham of King's cool free throw shooting: "Anthony being the class-kid that he is, he just knew what was expected of him, and he did it."

"We played in spurts out there," added Graham. "It hasn't been like that all season. It

## Press-Record Sports

Mon., Feb. 27, 1978 Page 9

seems as if we start out a game looking 'treat' and then the other team catches up with us before halftime."

Friday night's game was not immune to the mysterious "Madison slump." The Trojans started out the game as if they were going to blow the Wildcats right out the doors and into the snowy streets of Dupo.

They jumped out to a quick 15-2 lead with 4:05 showing on the clock on the strength of several quick steals of Lovejoy in turnovers passes and Wildcat turnovers.

But Lovejoy managed to put on a small rally of sorts and cut the Trojans' lead at the end of the period to 23-16.

The Trojans' teams each scored 18 points in the second period. But the main attraction of the quarter was the shootout between King and Lovejoy's

hotshot, Ron Salmond.

King won the battle, scoring nine of Madison's points, compared to Salmond's eight for Lovejoy.

Two of Salmond's second-quarter points came on a tip-in at the 3:35 mark after a missed shot by teammate Eric Watson.

Salmond reached high and tipped the ball through the basket to bring Lovejoy within 27-25, the closest they had been since the national anthem.

But King saw to it personally that Lovejoy didn't become too used to being close. He scored first from 20 feet out, then made two free throws and then hit a jumper from the top of the key which gave Madison a 33-25 lead with 3:38 showing.

THE SECOND HALF began with the Trojans quickly taking a 45-38 lead with 5:37 remaining in the third quarter. But the

Wildcats managed to creep back within one point at 44-44.

A steal by Lovejoy's Royce Finley and the ensuing layup brought the Wildcats within three points at 45-42 with five minutes remaining in the period. Madison called time out.

But whatever Graham told his team during the time out obviously hadn't affected Finley one bit. He proceeded to can a 15-footer with 4:02 left to bring Lovejoy within one point.

Salmond hit a 10-footer with 3:30 left which gave Lovejoy its first lead of the night, 46-45. But two straight Trojan baskets made it 48-46 until Mr. Finley went back to work. He canned a 10-footer with 2:37 left in the period to bring Lovejoy back to within one point, 49-48. Time for another Madison time out.

The Trojans' second time out of the quarter had a little better effect on them than the first one had.

A Lovejoy turnover at the 2:35 mark followed by a Lloyd Williams tip-in at 2:15 gave Madison a 51-48 lead. Lovejoy's Eric Watson made a shot from the top of the key just five seconds later to bring the Trojans within one.

Then Williams and King teamed up to score four straight points and give Madison a 55-50 lead.

Two straight baskets by Lovejoy brought them back within a point, 55-54, but a Williams tip-in of King's missed shot at the buzzer gave the Trojans a 57-54 lead after three quarters of play.

Then came that fourth quarter. The Trojans and Wildcats played evenly for the most part of the period, with the Trojans never leading by more than six

effect on them than the first one had.

LLOYD WILLIAMS of Madison (24) rips off a rebound in the second half of the Trojans' regional championship victory over Lovejoy Friday night in Dupo. Madison's next stop will be Vandalia's sectional tourney. The Trojans will face the hosts at 7:30 tomorrow night. The winner of that game will face the winner of the Lebanon-Litchfield game in the sectional final Friday night.

(Press-Record Photo by Pete Hayes)

## Jay Heubner to WIU

GRANITE CITY— Jay Heubner, the 6-3 218 pound tight end, fullback and linebacker from Granite City High School South, has signed a national letter of intent to play football for Western Illinois University next season.

Heubner signed the national letter last week in Granite City with Western defensive coordinator Gerry Hart looking on.

Heubner, who was forced to miss the entire 1977 Warrior gridiron season, was recruited mainly as a linebacker for Western according to head football coach Bill Shanahan.

"That's where we were

chiefly interested in Jay when we recruited him," said Shanahan. "We did some junior recruiting in '76 and were very interested in him."

"Of course, we weren't actually allowed to talk to him then, but we had some films and saw him play a few times, which only increased our interest in him."

Shanahan said that Heubner's size combined with his quickness were the two main attributes which cemented Western's hopes to sign him.

"Jay's got very good size for a linebacker," said Shanahan. "In fact, he might be one of the biggest we've ever had. But his mobility and quickness are so great."

Shanahan said that the Western staff was so impressed with Heubner's showing as a junior that even though he sat out all of last season, they were already high enough on him to sign him.

Despite the knee injury which forced his absence from the Warrior's lineup in 1977,

"The doctors say that he's fully recovered," said Shanahan. "They say he should be 100 percent."

Heubner's attitude also impressed Shanahan. "His attitude is absolutely excellent," he said. "I think he's really wanting to make up for lost time because of the injury."

"I think he's ready to play today."

Heubner will report to Western on Aug. 20 for pre-season conditioning and workouts.

The Bulldogs of Western will be entering a new inter-collegiate conference next season. Along with Eastern Illinois, Akron State, Northern Michigan and Northern Iowa, they will make up the Mid Continent Athletic Association.

Shanahan said of the new league: "It, along with the games we have scheduled outside the conference, should make it the toughest schedule Western's ever had to face."

But Shanahan feels his squad (3-7 last year) will be up to the challenge.

"I think we've had the best recruiting year ever. The addition of a player with the capabilities of Jay Heubner along with the rest we signed makes me feel very optimistic."

## Steelers drop two games; Warriors clinch .500 season

After the past weekend's play, one Granite City High School basketball team had ended the season with a 4-20 record, another, yet, things didn't look all that bad for the

for this week's Class AA (751 enrollment or more) Regional. The other Granite City School's squad won its game and assured itself of the school's first winning basketball record in five years. Yet, things appeared bleak for its regional action.

Who are these mysterious teams and why do things look bleak for one and not the other? The team which ended with a

4-20 slate is Granite City North, losers of two weekend games; 71-57 Friday at Hillsboro and 63-57 at home Saturday night at Cahokia.

The Steelers are scheduled to play Wednesday night against Edwardsville in the second game of the four-team Wood River Class AA Regional at 7:30.

"We're crazy enough to think our chances of getting good," said North coach Bill Ohlendorf.

# They'll remember it all their lives

It was all there. All the pomp and pageantry of the Olympics. All the fun and spirit of any high school sport. But along with it, a serious, deep-down sense of pride and self-discipline built into every one of its participants.

What "it" was was the Illinois High School Association's State Wrestling Finals held in the University of Illinois Assembly Hall Friday and Saturday in Champaign.

Granite City was well-represented. Eight wrestlers — six from GCHS South and two from North — qualified to represent their schools, their hometown and their section of the state in the finals... as well as themselves.

By the time the final championship bouts came around, only two Granite Cityans had survived, but that was two more than most cities had left by that time.

But both Granite Cityans lost their title bouts... one by a controversial referee's call and the other by a pin. But they had gotten to the final round.

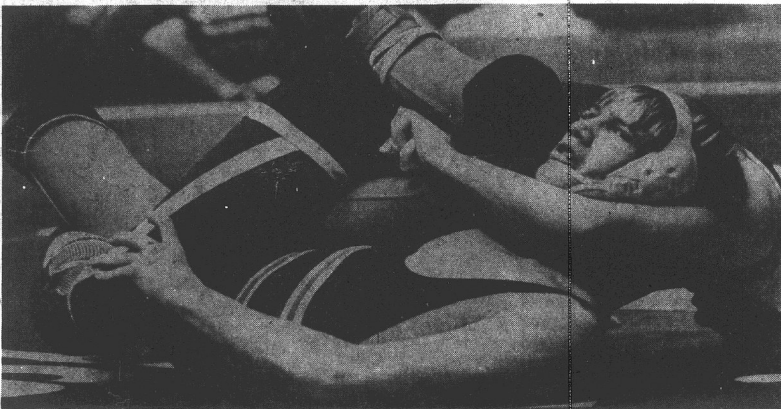

The wrestler who lost by the decision, North's previously unbeaten powerhouse, Khris Whelan, won a championship last season in the 98-pound weight class as a junior. South's Sam Perkins, who was pinned in his 138-pound title bout, will have another crack at it... he's

only a junior this year. Friendships were struck up between the many wrestlers from all areas of the state from near-Wisconsin to the

coal-mining region near West Frankfort in Southern Illinois. Shouts of "Way to go, Bob," or "Tough loss, Ron," were heard from the wrestlers to each other during each session.

There were also tears — at times it seemed like hundreds of gallons — as wrestlers who had put everything they had into one six-minute time span had come up on the losing end.

But mostly it was fun. It was a time most of the young people there will remember all of their lives. They had made it to the state finals!

(Continued from Page 9)

nor trailing by more than one. That one time Madison trailed came with 3:25 left in the game when — yep, that's right — Finley stole a Trojan pass and scored an unopposed layup and a 66-65 Lovejoy lead.

That's when Madison began their long march to the free throw line. They accomplished the trick by becoming more aggressive, going to the basket more and causing Lovejoy to

foul in attempts to get the ball.

Three of those free throws were made by Tim Colston. Combined with a James Heard drive, they gave Madison the lead back at 70-66 with 2:08 left to play.

But Watson made a shot from 16 feet with 1:55 left, and was fouled in the process. He missed the free throw attempt, leaving the score at 70-68.

Three Madison points made it 73-68, but Lovejoy came back with three of its own to cut it to 73-71.

Tim Colston canned two free

throws with 25 seconds remaining which made the score 75-71. Salmond then scored from five feet with 14 seconds left.

Then Salmond fouled King (fouling out in the process) with 11 seconds left. King made both tosses and the Trojans were on their way to the Vandalia sectional and a date with the host Vandals tomorrow (Tuesday) night at 7:30.

A final Lovejoy goal didn't affect the outcome.

Should Madison make it past Vandalia tomorrow, it could mean a rematch of last year's sectional final... the Trojans would play the winner of the game between Lebanon and Litchfield Friday night for the sectional crown. Madison edged Lebanon last year in the sectional title game on its way to Champaign.

Lovejoy coach, Leon Thomas, depressed after the loss, said: "We obviously lost it at the free throw line. I think we're better man-for-man than they are. If we played them tomorrow, it'd be a different story."

"Before the game I told the team if we could stop King, we'd have them."

"They didn't and they didn't."

## South

(Continued from Page 9)

not get away. Stevens was warned for stalling and Whelan was cautioned for false starting. Stevens started down at the beginning of the third period and escaped from Whelan's control. He then took Whelan down. Whelan finally escaped, after a stalemate call, only to hear the buzzer sound to end the match, 6-5.

Whelan had previously defeated Fred Mariana of Bloomington 6-2 in the semifinals after decisioning Jon Gluck of Hoffman Estates 3-2 Friday. In first round competition, Whelan pinned Bob Maddock of Harlem in Loves Park in 53 seconds, a new record for the state tournament.

That record was later broken by Dan Garrett of Tinley Park over Kenneth Brings of Bogan in Chicago in 21 seconds.

South's Perkins had beaten North Chicago's Mike Jones 15-7 in the 138 pound semifinals before losing in the title bout. Before the semifinal bout, Perkins decisioned Howard Murphy of Dunbar in Chicago 11-2 after beating Monte Ballard of Sterling 6-2. Perkins, in the preliminaries, stuck Marty Walters of Arlington Heights in 5:38.

In Hasty's 145-pound third place bout, his opponent, Chirico, got the original takedown and escaped early in the second period. That was when Hasty came to life. He took Chirico down and put him on his back for two near fall points.

Hasty started down in the third period. After the wrestlers traded reversals, Hasty escaped. Hasty then took Chirico down again and scored two more near fall points. Chirico reversed Hasty to end their match at 11-7.

Hasty had earlier pinned Harold Moore of Bloom Trail in Chicago Heights in 5:35 in the semifinal wrestle backs after decisioning Todd Willing of St.

Charles 6-5. Hasty, after losing to Trent Taylor of DeKalb 7-5 in the first round of competition, beat Neal Weiner of New Trier West 5-4 in the first wrestle back round.

Robert Kirgan, 105 pounder from North, lost out in the quarterfinal round of wrestle backs by being decisioned by Gene Vatch of Addison Trail 6-2 after beating Paul Laskowski of Palatine High School 5-2. Kirgan lost to Olle Johnson of Rock Island Alleman 9-8 in the first round of competition.

For South at 105, Rocky Lupardus lost to Ken Rhodes of Proviso East in Maywood 10-8 in the preliminary round.

At 119 pounds for South, Wally DeShon was pinned by Tom Snyder of Ottawa in 3:26 in the preliminary round.

Barry Forshee, 126 pounder of South, tied Tiger Moreno of Rock Falls in overtime. The referee's decision in the preliminary bout went to Moreno.

In the first round, Dean Perkins, 132 pounder of South was decisioned by Joe Bianchi of Barrington 11-6.

"Khris (Whelan) did a whale of a job. He won 78 matches in a row over a two year period. I don't think anyone can touch that," commented North's coach Walt Whitaker.

"It was a tough journey. We knew it'd be tough and we did what we could," said Whitaker. "I thought Sam (Perkins) did a heck of a job getting to the finals," said South coach Bill Schmitt. "When a wrestler gets that far in the competition, it's a complement in itself. And the way Hasty came back for third place was a great accomplishment."

## Stop smoking class

A program for people who smoke and want to kick the habit will take place March 12 to March 16 in Fellowship Hall at the Seventh-Day Adventist Church, 10 Chapel Court, Collinsville.

Quad-City area residents have been invited to participate.

The special Five-Day Plan program will be conducted by a nurse-clergyman team, consisting of Philip R. Colburn, pastor of the church, and Mrs. Colburn, a registered nurse.

The plan consists of regular evening group therapy sessions from 7 to 8:45, five, and a daily personal control program for home or work.

Sponsored by the Collinsville church and Lewis-Clark Lung

Association as a community service, the Five-Day Plan, which has been successful for more than 15 years in major cities around the world, aims to help improve the health of the community and to contribute to the national physical fitness program, Pastor Colburn said.

Smokers who wish to attend the sessions may pre-register by calling Pastor Colburn at 344-6969. A \$5 registration fee will be charged to cover the cost of materials given to participants.

The Five-Day Plan to Stop Smoking features such topics as the psychological and physical aspects of the smoking habit, how craving can be lessened, how will power can be strengthened, physiological effects of smoking, organization of a buddy system, and many other techniques designed to break the habit within the five-day period.

A film, "Countdown," depicting a lung cancer operation in full color, will be featured the first evening of the therapy session, Sunday, March 12.

## First National has record year

First Granite City National Bank experienced a record year during 1977, increasing assets by 12.1 percent to a total of \$81,924,562 and net profits of \$4.89 per share, Chairman Paul Lichtenberger told the annual meeting of bank shareholders last week.

Directors re-elected were Harley G. Davis, Wilbert Engleke, H. R. Fischer, Joseph Gilk, P. H. Lichtenberger, S. E. Pershall, S. E. Pershall Jr., Carl A. Randt, John W. Reese, James V. Stack, Nicholas P. Veeder and Melvin C. Wilmmsmeyer.

Chairman Lichtenberger, reporting on the bank's activities for the year, said, "1977 proved to be another record year for your bank. The increase in total assets to \$81,924,562 represented a growth of 12.1 percent and net profits of \$4.89 per share, compared with 1976 results of \$4.18 per share, an increase of 17 percent."

"This to me indicates a growing awareness on the part of the community of the dedication of our employees and officers to provide the best in banking services."

"Over the years, our policy always has been to be as helpful as possible in providing financing to promote home ownership and the many things necessary to enhance the quality of life throughout our community. Our growth over the past 75 years can be attributed in great part to this policy of helpfulness, which we will continue."

Following the shareholders meeting, the directors met to organize. Paul Lichtenberger was re-elected chairman, H. R. Fischer, vice-chairman, and S. E. Pershall, chairman of the executive committee.

Earl G. Dotzauer, formerly vice-president and auditor, was named vice-president and comptroller and will head the newly created comptroller's department.

Raymond R. Burton and Thomas E. Holloway were promoted to assistant vice-

president and Elmer Wortham was appointed auditor. All three formerly had held assistant cashier positions.

Newly-named officers were John A. Cooper, Jay B. Fineshruber, Frank J. Kierski and Mattie L. Pope, as assistant cashiers, and Vernon Dale Smith, assistant director of data processing.

Officers reappointed were Melvin C. Wilmmsmeyer,

president; Charles L. Gavin, senior vice-president; Harley G. Davis, executive vice-president; John H. Tallgren, vice-president and trust officer; I. J. Pitman, vice-president, cashier and security officer; Howard L. Elbertson, vice-president; David V. Fox, vice-president; Herbert S. Camren, vice-president; T. J. Conrad, vice-president and director of data processing; Edward

Uherck, assistant cashier; E. P. Elieff, assistant cashier; Merle Rose, assistant cashier; and Laveada M. Knobbe, assistant trust officer.

A quarterly dividend of 50 cents per share was declared payable March 15, 1978, to stock of record March 8, 1978. This represents an increase of 10 cents per share over the previous regular quarterly dividends, Wilmmsmeyer said.

PROMOTIONS for nine employees of the First Granite City National Bank were announced by the First Granite City National Bank following the annual meeting of shareholders last week. Seated, from left, are Earl Dotzauer, vice president and comptroller; Tom Holloway and Raymond Burton, assistant vice presidents; and Elmer Wortham, auditor. Standing, from left, are Jay Fineshruber, Jack Cooper, Mattie Pope and Frank Kierski, assistant cashiers, and Vernon Dale Smith, assistant director of data processing. The number of promotions is unprecedented in the 75-year history of the local bank.

## Protest bus route change

Granite City officials will ask the Bi-State Transit System to delay plans to remove bus service from three blocks of Woodlawn Avenue pending a thorough traffic study, it was decided by City Council members last week.

The action was taken in response to a plea by a delegation of residents living in the vicinity of the Woodlawn Avenue bus route who informed the aldermen that many persons in the area would have to quit their jobs if bus service was converted to another route.

Florence Moore who lives in the 2400 block of Lynch Avenue, serving as spokesman for the delegation, said that area residents had been told by bus drivers that the service was to be changed in the 2200, 2300 and

2400 blocks of Woodlawn Avenue at the request of city officials.

A proposal to change the routing in that area was discussed by council members several months ago after city officials received a number of complaints that buses using Woodlawn had caused damage to several houses, particularly in the 2200 block of Woodlawn, and that use of buses on that route was creating a parking problem.

While the council took no specific action at that time, Alderman Ronald Coleman of the Seventh Ward, in which the bus route is located, said that Bi-State was asked to remove the service from the three blocks of Woodlawn.

City officials reported during that discussion that residents of several homes in the area were threatening law suits to recover damages allegedly incurred as the result of vibrations from buses using the street.

In most instances, Mrs. Moore told the aldermen, residents along Woodlawn told her they did not object to the buses using the street, but objected to the parking along the street. She noted that drivers from other areas parked their cars along the street to take the bus downtown or to St. Louis.

"I'll admit that many of us

affected by a removal of the bus service work in St. Louis, but we do bring our paychecks back to Granite City," Mrs. Moore said. She emphasized that persons who now must walk a block or two to catch a bus, would have to walk about eight blocks to catch the bus if it is rerouted over Wabash Avenue to Pontoon Road, east to Johnson Road and back to Wabash.

"President Carter has urged people to form car pools and to ride buses to save energy. We are trying to do that. We are not going to let them take our bus service away," Mrs. Moore said.

Coleman explained that he had talked with Bi-State concerning a plan to route the bus over Wabash to Route 203, then over Morrison Road to Maryville Road and back to Pontoon Road. Bi-State rejected this plan as being too costly, he said.

Mrs. Moore told the council that the bus users are certain that if the parking problem was resolved, there would be no complaints from homeowners living along Woodlawn.

She said the delegation attended the council session to obtain some assurance that the city would do something about the threatened loss of bus service along Woodlawn. The change has been scheduled for early April.

Alderman Warren Decatur of the Fourth Ward made a motion that Bi-State be requested by the city to delay any proposed changes for the bus routing until the city traffic engineer has an opportunity to study the matter.

## Free . . . . . French Crystal

## Your First Pair Is Free!

## Truck license reassignments during March

Secretary of State Alan J. Dixon has announced that the reassignment period for 1978-79 second division vehicle license plates will be March 1-31, one month earlier than last year. The new reassignment dates were established in 1977 by the General Assembly.

"We started mailing out second division pre-print applications this month," Dixon said. "This will give owners wanting to keep their same license number time to apply during March for reassignment."

Current fiscal year plates will be valid until midnight on June 30.

Over-the-counter sales at secretary of state facilities and participating financial institutions start Thursday, June 1, the same date it is legal to display the new plates on vehicles.

Dixon said the color combination for 1978-79 second division plates will be brown digits and letters on a white background — except mileage tax plates, which will be black on gold.

Vehicles in the second division classification include trucks, tractors, trailers, semi-trailers, mileage tax plates, farm trucks and trailers.

## Energy cuts could affect food supply

By ROBERT ESTILL  
Press-Record

Washington Bureau  
Consumers may face higher supermarket prices and shortages of some items if the coal strike continues and energy cutbacks are required of food producers, processors and storers.

"We are grossly concerned," said Earl Gavett, head of the U.S. Department of Agriculture's Energy Conservation and Use Project.

The fear is that states, attempting to conserve energy because of the coal strike, may require the same kind of cutbacks of the food industry that would be required of other industries.

That would result in decreased production, higher food prices and a shortage of some items, particularly such perishable foodstuffs as milk, eggs and bread.

It is up to the states to determine how they reallocate their energy, and 13 states are said to depend on coal for much of their power needs — Illinois, Ohio, Indiana, Kentucky, Michigan, Tennessee, Virginia, West Virginia, Alabama, Georgia, North Carolina, Pennsylvania and Maryland. Those states include some major food producers and processors, and what happens there affects food prices nationwide.

Although farms require a dependable, constant source of

electricity, it is what happens after the crops or livestock leave the farm that has the USDA worried.

"On the farms, so far, we have not been alerted to the fact that anybody has been shorted," Gavett said.

"But our much more general concern has to do with the food processing and food storage after it has been processed."

"We are not hearing from any farms, per se, but we have been hearing from some of the large plants that have been notified they would have to cut back to some extent, and some are what you would call rather crucial areas."

He noted, for example, that warehouses full of refrigerated or chilled beef and milk must have access to a continuous supply of energy.

"The electricity can be off for a little bit on some things, but not without some loss of quality," he said.

"If it is off for very long, you lose the whole 'ball of wax'."

Bakeries also would be hard hit, since they rarely have more than several days' supply of goods.

Gavett said Indiana has decided that the food industry will not be shorted on energy despite the state-imposed conservation measures, but it is uncertain if all states will treat the food industry differently than they treat other industries.

The coal strike can continue for some time without an adverse effect on food production and prices if the state public utility commissions recognize the crucial need for energy in the food industry, Gavett said. "But if they force everybody to take an equal cut and it is 25 percent, you are going to find some shortages occurring quite soon," he added.

In checking with food processors, the USDA has been told that a cutback in energy use of 25 percent would result in a 25 percent reduction in productivity.

"If you start cutting production 25 percent, then you get sharp price increases," he said.

"It is a hard thing for us to say what the price impact will be, partly due to panic buying that could occur and does occur — everyone you have one of these blamed things. People see milk on the shelves and they buy up more than they really have to have. They buy six loaves of bread and stick them in the freezer."

GEORGE STENITZER ON DEAN'S LIST AT QUINCY  
George Stenitzer, son of Mrs. Beatrice Stenitzer, 1009 Grand Ave., Madison, has been named to the Dean's List at Quincy College, Quincy, Ill., for the past semester.

## Hair dye controversy attracts differing views

By CATHERINE R. MAUCK

Madison County Extension

Adviser, Home Economics

Two of every five women regularly use hair dyes. And seventy-five cents out of every dollar spent on those hair dyes is for permanent types.

While the use of permanent hair dye is widespread, its safety is under question, says Larry O'Reilly, University of Illinois Extension health education specialist.

The Food and Drug Administration (FDA) and the Cosmetic, Toiletry and Fragrance Association are vigorously debating the subject.

On January 4, 1978, the FDA proposed a warning label for permanent hair dyes containing the chemical, 4-MPDP. The proposed label would say: "Warning—Contains an ingredient that can penetrate your skin and has been determined to cause cancer in laboratory animals."

In addition, the FDA proposal would require that warning posters be placed in all beauty salons.

Most permanent hair dyes used in homes and salons are oxidation dyes, notes O'Reilly. These products require a developer to bring out the shade by an oxidizing reaction.

According to the FDA, the dangerous chemicals serve as tinting agents. In general, they are found in so-called "Cool" or "Dab" colors—shades of black, brown or ash-tone blondes.

FDA concern over 4-MPDP is based on recent studies conducted by the National Cancer Institute. The research showed that 4-MPDP, when fed to laboratory mice and rats, causes skin cancer and lymph and thyroid tumors.

The FDA also reports evidence that the chemical can be absorbed through the skin and enter the bloodstream.

Representatives of the Cosmetics, Toiletry and Fragrance Association do not support the proposed hair dye warnings.

The association reports that studies involving human subjects have not supported the FDA evidence that hair dyes can cause cancer.

It cites results of research conducted by the American Cancer Society and scientists at Yale, Oxford and the University of Toronto.

The hair-coloring industry says its animal studies fail to place the safety of hair dyes in

question. The association claims that much of the FDA research involved rats and mice that were fed massive doses of hair dye chemicals. Lab animals were fed hair dye ingredients at a level equal to a person's drinking 25 bottles of hair dye every day for a lifetime.

Spokesmen for the industry believe that feeding tests do not measure the safety of hair dyes in normal human use.

As the debate goes on, consumers have the opportunity to voice opinions, says O'Reilly.

The proposed FDA regulations should do so by regulations should do so by March 6. Comments may be sent to: Hearing Clerk, Food and Drug Administration, Room 4-65, 5600 Fishers Lane, Rockville, Md. 20857.

UNDERCOATING—RALPH'S TEXACO 22ND & MADISON AVE.

## Lenten series at St. John United

Following the theme, "From Bethlehem to Calvary," the Wednesday evening Lenten services will continue into March at St. John United Church of Christ, 2901 Nameoki Road.

The Rev. Robert Malsch from St. Paul United Church of Christ at Columbia, Ill., will speak on "Bethany" at this Wednesday's service.

Pastor Jim Mory of St. John's Church will discuss "Jerusalem" on Wednesday, March 8, and on "Calvary" at the concluding service on Maunday Thursday, March 23.

The Rev. William Groenert of St. Paul United Church of Christ, Columbia, will have the program on Wednesday, March 15, speaking on the topic, "Gethsemane."

All Lenten services will begin at 7:30 p.m. At the Maunday Thursday service, the Sacrament of Holy Communion will be celebrated.

The public is invited to participate in the Lenten series, Pastor Mory said.

## World Day of Prayer Friday

The World Day of Prayer Celebration will take place Friday, at 7:30 p.m. at the First United Presbyterian Church in Madison. All women in the Quad-City area are invited to participate.

Plans for the event were reviewed at last week's meeting of the Church Women United governing board, conducted by Mrs. Martin Pierson, president.

The group met at Nameoki Methodist Church, with Mrs. Nan Henderson reading the financial statement.

Sister Geraldine, a member of Pastoral Care at St. Elizabeth Hospital, will be the guest speaker at Friday's celebration.

The New Life Singers will provide music and women of the host church will serve refreshments. Child care service also will be furnished, according to Mrs. Dorothea Rivenburgh, CWU vice-president.

At the business session, Mrs. Bea Rittenhouse and Mrs. Dolores Allen described a luncheon given at St. Elizabeth Hospital for volunteers working in the Meals on Wheels

program. The women said the hospital will provide its own driver starting in April, with volunteers then called upon only to deliver the meals to the door of a recipient. CWU members are responsible for meal deliveries the week of March 6, Mrs. Rittenhouse said.

Mrs. Karen Mueller, new chairman of the Fellowship of the Least Coin, and Mrs. Sharon Engleke, new publicity chairman, were introduced and their duties were explained.

Efforts are continuing to locate diapers at more economical cost for inclusion in the Layettes for the Newborn project, Mrs. Allen, chairman, advised.

Two visits to the Granite City Public Library are planned for youngsters involved in the Friends of Learning program. On the second trip, the children will become acquainted with the library's craft program, Mrs. Dolores Vogeler, chairman, said.

The Church Women's group will be responsible for feeding about 1,200 participants in the

Special Olympics, scheduled May 6 at the SIUE soccer field. Mrs. Pat McAnish, project chairman, said assistance from any person in the community to further the massive feeding program would be greatly appreciated. Volunteers are invited to contact a CWU member to learn more details. Mrs. Ellen Wilson, board secretary, said the executive group will hold its next meeting at 1 p.m. March 13, at Nameoki Methodist Church.

## Mrs. McCauley reviews book

Mrs. Dorothy McCauley reviewed the book "Earthly Possessions" written by Ann Tyler at a meeting of Bay View Reading Club, Thursday afternoon.

She was introduced by program chairman Miss Hazel Towery.

Members met in the home of Mrs. Herman Huxel, 2324 Edison Ave., and were served a George Washington cherry desert preceding the meeting. President Mrs. Bette Rea presided over the business segment and led the members in reciting the pledge to the flag and the club collect.

Reports were read by the secretary and treasurer and a communication from the 22nd District of Illinois Federated Clubs was read. An invitation to attend a county meeting in Troy was also noted.

Miss Mary Frances Lynch announced plans to select a book in memory of the late Mrs. R. E. Chapman, which will be donated to the library.

Others attending were Mrs. E. M. Aronovitz, Miss Lily Dod, Mrs. Russell Johnson, Mrs. Walter Klein, Mrs. A. E. Kramstik, Mrs. Chris Louis and Mrs. Emil Mueller.

## Troop 709 holds fly-up ceremony

Girl Scout Troop 709, sponsored by Marshall School, held a rededication ceremony and fly-up ceremony last week at the school.

Scouts who advanced to the junior level of scouting were Charlene King, Deanna Hardline and Cathy Weinhold. Each were given their "wings" and pins followed by a troop Valentine party.

The following week the troop visited Sambo's Restaurant and after the tour were served hamburgers, French fries and a soft drink.

Those participating in the two events were Tracy Arnold, Chris Ballhorn, Julie Blackwood, Angie Bugg, Cara Crews, Shirley Dawson, Chris Finke, Tammy Flaughner, Melanie Grady, Debbie and Lisa Green, Deanna Hartline, Chris James, Charlene King, Christi McDaniels, Carla Nicol, Debbie Rutledge, Sherri Segedy.

Michelle Smith, Elizabeth Stark, Dawn Stockola, Cheryl Swift, Lisa Thompson, Kathy Weakley, Kirsten Weatherford, Cathy Weinhold, Shawn Weinhold, Wendy Yates and leaders, Joan Stark and Diane Swift.

## Handicraft Club installs officer

The Handicraft Club met last week in the home of Mrs. Sue Perdicaris, 2185 E. 24th St., for a monthly meeting and Greek dinner served by the hostess.

After the dinner hour the hostess was installed as the new president for the ensuing year by Mrs. Ann Mega, the retiring officer.

The birthday of Mrs. Gladys Skubish was observed and she received a cash gift from the members. Prizes for the evening were won by Mrs. Mega and Mrs. Skubish.

Also present were Mesdames Irene Kadane, Kate Fedora, Frances Vivod and Alexandra Severine. The March meeting will be in the home of Mrs. Mega.

## Mary J. Minor is betrothed

Announcement is being made by Mr. and Mrs. Robert L. Minor, 1722 South Main St., Jacksonville, Ill., of the engagement of their daughter, Miss Mary Jean Minor and C. David Mang, a son of Mr. and Mrs. Clifford Mang, 2630 Edison Ave.

Miss Minor graduated in 1974 from Jacksonville High School and is presently enrolled in the Southern Illinois University at Edwardsville School of Nursing. She is a member of the university Honor Society and will graduate in June with a Bachelor of Science in Nursing degree.

Her fiancé is a 1974 graduate of Granite City High School South and will graduate in June from SIUE with a Bachelor of Science degree in Professional Accounting. He is a member of the SIUE School of Business Accounting Club and is also an employee at the university.

Wedding plans are indefinite at the present time.

## Jr. Service Club plans project

A "taste tease" sponsored by the Madison Junior Service Club attracted 97 members and guests last week held at the Madison Recreation Center.

Each member brought two of their favorite dishes for the affair which was followed by the club monthly business meeting.

Discussions were held on the Federation installation to be held by the Madison Club, and on new members and locations for the installation. Donations were sent to the March of Dimes and to the Madison Recreation Center for new tables.

Hostesses for the evening

were Dottie Caffrey and Rita Barash.

The club will have a "luncheon is served" fund raising project at 7 p.m. on March 14, it was announced. Featured at the evening affair will be a fashion show presented by Mrs. Marilyn Lunsford of Marilyn's House of Fashion with members serving as models.

Tickets costing \$2.50 are available from the members and all proceeds will be given to the March of Dimes campaign, according to the officers.

Serving as hostesses for the meeting will be Carol Robertson, Elvera Stagner and Irene Hackett.

## Zingrich-McKinney nuptials

MR. AND MRS. LARRY ZINGRICH. They were united in marriage in an afternoon ceremony in St. Clair, Mo. The bride is the former Miss Susan Marie McKinney, a daughter of Mr. and Mrs. Edward V. McKinney, 2301 Lincoln Ave.

The wedding of Miss Susan Marie McKinney, a daughter of Mr. and Mrs. Edward V. McKinney, 2301 Lincoln Ave., and Larry Zingrich of Labadie, Mo., was solemnized on Feb. 18 at the City Hall in St. Clair, Mo.

Officiating at the double ring ceremony at 1 o'clock in the afternoon was the Rev. Jimmy Jordan.

Parents of the groom, Mr. and Mrs. Lewis Zingrich, reside in

St. Clair, Mo. Attending the bride as matron of honor was Mrs. Donna Zamwalt.

The groom chose Terry Downey as best man. A graduate of Granite City High School South, the bride is an employee of the USF&G Insurance Co., St. Louis. Her husband is working at the Chrysler Plant in Fenton.

The newly married couple are residing in Labadie, Mo.

## Lewis-Clark registration

Registration for additional classes will begin during the second eight weeks of Lewis and Clark Community College's spring semester — from 9 to 11 a.m. and from 1 to 4 p.m. on Thursday and Friday, March 9 and 10, in the west wing of Alden Hall on the LCCC campus, Godfrey.

Prospective students may also register from 6:30 to 8 p.m. Thursday, March 9.

The classes, which will begin during the week of March 12, include: disco dance, Faulkner's short stories, soul, volunteer program management, new profiles for women, food service management I, family camping and outdoor recreation, karate-beginner-white belt, karate-advanced beginner-blue belt, golf, tennis and intermediate tennis, all to be held on the LCCC campus.

Karate-beginner white belt and understanding your insurance will be taught at Rosana High School.

Ballroom dancing (couple only) is to be held at Edwardsville High School.

Microwave ovens and cooking, upholstery, furniture

refinishing, decorative textiles, advanced interior decorating, tailoring, going into business, and hairstyling for licensed cosmetologists will be taught at the Johnson Area Center, Alton.

Classes on introduction to modernized metric system and new profiles for women will be held at Civic Memorial High School, Beloit.

Advanced interior decorating is to be taught at Carrollton High School.

Food service management I will be given at Calhoun High School.

The Jazz Lab Ensemble at Southern Illinois University at Edwardsville will present a winter concert Wednesday in the Communication Building theater, beginning at 8:15 p.m.

The ensemble, directed by Peter Basola, consists of five saxophones, four trombones, four trumpets and a rhythm section. Basola is a visiting lecturer in the department of music at SIUE and director of music at Alton High School.

Selections to be featured in the evening's performance include: "Fun Time," "Another Lazy Day" and "You 'n' Me" by Sammy Nestic; "Miss Fine" by Oliver Nelson; "Bunch of Blues" by Les Hooper; "Boonie's Blues" by Dominic Spera; and "Mexicali Rose" by Buddy Rich.

The concert is open to the public at no charge.

Tennis, and buying and selling a home, will be taught at Carlinville High School.

Buying and selling a home is to be the topic of a class at the Johnson Area Center, located at Alton High School.

Late registration will be held from 9 to 11 a.m. and 1 to 4 p.m. on Monday and Tuesday, March 13 and 14, also in the west wing of Alden Hall.

For further information, area residents may call Lewis and Clark Community College at 469-9411, or toll-free 800-642-1794.

## GC school election judges appointed

The Granite City Board of Education has approved its judges and alternate judges for the April 8 school board election. Judges, by precinct, are:

Pct. One, McKinley School, Mary Pashoff, 1230 Madison Ave. Madison, Joanna Warren, 1608 Kennedy Drive, Madison and Sarah Bringer, 2045 Lee Ave.

Pct. Two, Lake School, Delores Riddle, 221 E. 23rd St., and Virginia O'Beir, 2010 Thirteenth St.

Pct. Three, Washington School, Barbara Elmore, 3000 Cayuga, Virginia Marmon, 1315 Denver, Sue Wendel, 3110 W. 20th, and Josephine Jung, 2209 Nevada.

Pct. Four, Logan School, Alma Burnett, 2028 Illinois.

Pct. Five, Emerson School, Sue Bryar, 2323 Adams, Maxine Ruter, 1931 Benton, and Ann Gasparovic, 2150 Edison.

Pct. Six, Webster School, Patricia Pool, 2536 Propes, Edward J. Meng, 2634 Madison, and Thelma Mitchell, 2620 Madison.

Pct. Seven, Marshall School, Alice Saucier, 2955 Fortune Drive, Bernice H. Sloss, 2817 Fortune Drive, and Dorothy Gavin, 2841 Fortune Drive.

Pct. Eight, Niedringhaus School, Mary Mang, 2630 Edison, Reba Wallace, 2936 Iowa, Marlene Manogian, 3233 Fehling, and Irma Cotter, 2956 Madison.

Pct. Nine, Frohardt School, Betty Williams, 129 Riviera, Ann LaMachia, 1529 Clark, Bonita Dowd, 30 Del Rio, and Alvina Thurau, No. 10 Country Lane Ct.

Pct. 10, Maryville School, Carrie Gittleman, 5221 Lakewood Drive, Marie Durbin, 4725 Vincent, and Kathleen McCrone, 2556 Roney.

Pct. 11, Wilson School, Marion Meyer, 2004 St. Clair, Delores Kirkover, 2112 Elm, and Ann Walsh, 3016 Forest.

Pct. 12, Nameoki School, Ralph Monken, 1521 Cottage, Ramona Waghter, 1550 Garfield, Alma Jean Cowan, 1604 Garfield, and Mary Noeth, 40 Terrace Lane.

Pct. 13, Parkview School, Opal Compton, 65 Cambridge, Carolyn Menendez, 3261 Willow, and Jo Ann Comares, 2701 Whippoorwill.

Pct. 14, Mitchell School, Diane Hartup, 109 Cynthia Lane, Mary Danheiser, 10 University Drive, and Judith Thomason, 112 Central.

Pct. 15, Sialinus School, Beulah Eaker, 4361 Highway 162, Wilma Bowen, 6 Sunflower Court, and Violet Jorgensen, 4408 Highway 162.

Pct. 16, Johnson School, Geraldine Scheib, 4929 Mueller, Betty Pecurka, 4000 Melrose, and Edwin Wagner, Rural Route One, Box 1260.

Alternate judges, by school, are:

Emerson, Jean Edwards, 2258 Benton, Laufa Travis, 2145 Edison, Norma Bennett, 2161 Cleveland, and Lily Paul, 2034 Adams.

Frohardt, Jean Lungwitz, 3112 Jill, Mary Jo Hein, 5 Rose Lane, Fern Baker, 10 Bermuda Lane, Arlene Laub, 3278 Westchester, and Florence Petrovich, 364 Franklin.

Johnson, P. Howard, Rural Route Two, Box 1152, Virginia Apperson, 133 Briarcliff, Val Novosel, Rural Route Two, Box 1183, Drona June Miller, Rural Route One, Box 1353a, and Donna Swanson, 1490 Norwood Drive.

Lake, Mabel Kennerly, 3833 Lake St., Frances Harper, 2865 Lake St., Betty Orsborn, 2007 E. 12th St., and Audrey Eddlemann, 1215 Edwardsville Road.

Logan, Mary Bunn, 2036 Illinois, Shirley McFaster, 2408 Logan, Vivian Haug, 2415 Logan, and Emma Peters, 2310 Illinois.

McKinley, McGurra Jones, 2045 Park, Ellen G. Hoffman, 2151 E. 24th, and Charlotte Pyle, 1325 Washington, Madison, Marshall, Jacqueline Dillard, 2725 Sunset, Eula Davis 2721 Sunset, Melba Grady, 2727 Sunset, and Sandy Rickey, 2808 Wayne.

Maryville, Clarine Coghlan, 1616 Wellington, Sandra Keyes, 2250 Shirleen, 2508 Gates, 2150 Harrison, and Nancy Allen, 2172 Bern.

Mitchell, Patricia Gant, 217 Greenwood Drive, Mizzell Long, 28 Moorland Drive, Karen Hutchings, 229 Greenwood Drive, and Phyllis Gorrell, 619 Fleming.

Nameoki, Nancy Rosales, 4064 Lake Drive, Linda Rozvyk, 2575 Lynch, Kathy Leister, 2508 Lynch, and Donna Lane, 1740 Bremen.

Niedringhaus, Ada Matras, 2521 Fehling Rd., 2508 Toth, 2634 Edison, Darlene Lakin, 2533 State, Joyce Edwards, 3404 Princeton Drive, Carol Stecks, 2811 Grand, and Toni Karbarski, 2846 Ralph.

Parkview, Joyce Jachino, 77 Cambridge, Mary Jesse, 2554 Westmoreland, Erma Rash, 2541 Buenger, Judy Dutko, 2537 Buenger, and Arla Ault, 3232 Stallings.

Stallings, Maudie Bates, 4601 Highway 162, Judy Kopchak, 23 Tulip, and Ed Jorgensen, 4404 Highway 162.

Washington, Kathie Williams, 2030 Bryan, Janice Smith, 2510 W. 20th, and Phyllis Fisher, 3008 Denver.

Webster, Marie Johnson, 2565 Iowa, Don Seitzer, 2306 E. 25th, Lena Seitzer, 2306 E. 25th, Donna Jones, 2531 Iowa, and Linda Wozniak, 2626 Iowa.

Wilson, Julia Barnes, 3029 Dale, Linda McGee, 2812 Willow, Barbara McAskey, 2205 Termini, Joan Houston, 2432 Wilson, and Olivia Parrish, 2836 Edgewood.

Meet on crimes in rural area

"Protecting Your Rural Home" is one of the topics to be covered in a rural crime program Thursday, March 9, at 7:30 p.m. at the Farm Bureau auditorium in Edwardsville.

Rural crime is regarded as an increasing problem in Madison County as well as most of the other counties in Illinois.

The program will cover some of the causes of such crime.

Paul M. Gilligan of the University of Illinois Police Training Institute will be the speaker. He also will discuss one's legal right to protect himself, crime on the farm, livestock, machinery and grain theft, and prevention of thefts.

Gilligan will review different types of security systems available. Time will be allowed for questions and discussion.

PARTY FOR TOFFANT A "toffant Wine and Cheese" party will be held Thursday, March 2, from 6:30 p.m. until 10 p.m. in St. Mary's Parish Hall, 10th Street and Washington Avenue, Madison.

The event is sponsored by the Emil Toffant for Sheriff Committee of which Paul H. Lichtenberger is chairman. Donations are \$10 per person.

2601 MADISON AVE. PHONE 876-7722

Dear Voters,

In recent months many of you have received a brochure from me in which the following language appeared:

## QUALIFIED? ASK YOUR OWN LAWYER

When I made this suggestion to the voters of Madison County, I felt that most any lawyer who was asked this question would say that I was qualified for the office of Circuit Judge.

My faith was justified with the results of the recent poll conducted among Madison County Lawyers by the Illinois State Bar Association. In that poll I was "recommended" for the office of Circuit Judge by the Lawyers of Madison County, while in the same poll my opponent, William E. Johnson of R.R. No. 7 Edwardsville, Ill., was "not recommended."

The significance of this poll should not be under estimated, for in this poll lawyers were judging judges, not other lawyers. I was an associate judge for 12 years prior to my recent appointment by the Supreme Court to the office of Circuit Judge. Judge Johnson was, and still is, an associate judge. The lawyers who have regularly appeared before me and my opponent in the past have voted me "qualified" and my opponent "unqualified." (Included in this poll were lawyers for the defense, plaintiffs and prosecution.)

Therefore, it is my opinion, that this poll is much more significant than past judicial polls where two lawyers were running against each other for judicial office and the poll indicated one was qualified and one was not.

## Church Women seek aid for 'Olympics' task

This week, members of Church Women United in the Quad-Cities are undertaking to solicit from area businessmen donations of food, drinks and paper products to help the women's commitment of serving lunch at the Special Olympics.

The Joseph P. Kennedy Jr. Foundation's Special Olympics for the Southwestern Area will take place May 6 at Southern Illinois University at Edwardsville.

These Olympic-style games are designed for "special children," those physically and mentally handicapped, to give them the opportunity to com-

pete at their own level.

Church Women United has agreed to undertake the serving of refreshments and lunch, free of charge to between 1,200 and 1,300 participants, Mrs. Pat McAmish, CWU chairman, explained.

The women are seeking donations of food, drinks, paper cups, paper napkins and paper sacks to help them meet this challenge, she pointed out.

Letters were mailed this week to area businessmen asking for their help. Persons wishing to contribute to the project are invited to contact Mrs. McAmish, 3530 Colgate Ave., at 877-1123.

## Frohardt PTA hears John Colburn

John Colburn, community coordinator for the Granite City Mental Health Clinic, was the featured speaker at a meeting last week of Frohardt School PTA.

Following his talk he answered questions submitted by the members in an open discussion.

The meeting was opened by the Junior Girl Scout Troop 218 with the presentation of colors, under the leadership of Mrs. Diane Kinder and Mrs. Jenna Johannpeter.

Laverne Hammond, Joan Spohr, Norma Yelton, Janet Furman and Joyce Toussaint were named to serve on the nominating committee. Scholarship Chairman Mrs.

Frans Holt awarded distinguished service scrolls to Mrs. Joan Spohr and Mrs. Pat Winters and a life membership was awarded to Mrs. Janet Wilson. A Memorial Teacher's Scholarship fund was given on behalf of the late Mrs. Annabelle Chesnut, a former teacher at Frohardt School.

A Founder's Day observance was held and all past PTA presidents attending were honored. They included Lee Reid, Mrs. Holt, Mrs. Janet Wilson, Mrs. Sue Moss and Mrs. Mary Furmann Jeffries.

Several books were donated to the school library in recognition of the event.

The meeting date for March was changed from Tuesday, 21st to Tuesday, March 26, it was announced.

## Bosworth-Parker betrothal told

Announcement is being made of the engagement of Miss Jacqueline D. Parker, 1301a Oriole St., Venice, and Kent M. Bosworth, a son of Mr. and Mrs. Calvin Bosworth, 2581 Revere's Route.

The engaged couple is completing plans for a May 6 wedding, to take place at St. Mark Roman Catholic Church in Venice.

Miss Parker, a 1974 graduate of Venice High School is employed as a secretary by the Venice Police Department.

Her fiancé was graduated in 1973 from Venice High School and now works for the Alton-Southern Railroad.

## Bank the American Way

**you're more  
than just  
a number  
to us!**

It's a time when our lives seem to be guided by computers and a maze of numbers. And it's so easy to lose sight of the fact that each one of those numbers represents a person with needs and desires.

Maybe we're old-fashioned but we believe it's more important for us to know our customers' names than to know their account numbers. We're big enough to fill all your financial needs... yet, small enough to give personal service.

## Address on education's fourth 'R'

The Gateway East Chapter of Phi Delta Kappa will hold a breakfast meeting on Saturday, March 4, at 9 a.m. at the Round Table Restaurant, Collinsville. Chairman will be Elva Hines, project director, Signal Hill School, Belleville.

The speaker will be Chalmers Moore from the Illinois Office of Education in Springfield. He has had ten years of experience as a teacher of elementary administration and has been director of several kindergarten demonstration centers.

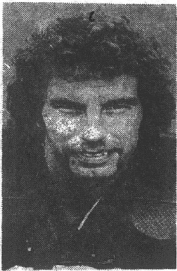

An educational consultant for responsibility education for the Illinois Office of Education during the past seven years, Moore will discuss "The Fourth R—Responsibility Education."

## Rotary chili day

Granite City Rotarians will hold their annual "chili day" Tuesday at the Niedringhaus United Methodist Church, 20th Street and Delmar Avenue. Serving will begin at 11:30 a.m. and continue until 1:30 p.m., and then will be resumed from 5 to 7 p.m.

### Document charges forgery

Margaret Ann Green, 22, Florissant, Mo., was charged Thursday with forgery in an informational document issued by the Madison County state's attorney's office alleging she attempted to cash a forged \$235 check at Schnuck's Market in Crossroads Plaza Shopping Center Wednesday.

She appeared before Associate Judge Thomas Gibbons at 4 p.m. Thursday and pleaded innocent to the charge.

Bond was set at \$10,000 and she was taken to the Madison County Jail at Edwardsville at 2:30 a.m. Friday.

A Schnuck's employee reported a woman presented a check to be cashed which was on the store's stolen check list. Employees held the woman at the store until police arrived.

Police said she is not a suspect in the cashing of other stolen checks at Schnuck's stores.

## Festive night tomorrow as Big Red, police-firemen basketball teams meet

By VALERIE EVENEDEN  
Press-Record Staff Writer  
Pre-game ceremonies at the Officer Friendly (Fred Hoffman) will present trophies to Lisa Willard of Parkview School and Robert Shelton of Nameoki School. The sixth grade pupils were winners in the Officer Friendly poster contest for Granite City elementary school children.

Combined with a spectacular halftime show, featuring North High's Steel City Belles pom squad and flag and rifle teams, and escape artist-magician Harry Monti, the entire evening promises to be filled with family entertainment.

And that's not counting the action on the hardwood between the Big Red All-Stars of the St. Louis football Cardinals and the Granite City Police-Firemen All-Stars.

The sixth annual Officer Friendly game will start at 8 p.m. Tuesday in the Memorial Gymnasium, Madison Avenue and Nameoki Road. Tickets, costing \$2 and admitting one adult or two youngsters, will be available at the door. Proceeds will be used to finance programs sponsored through the Officer Friendly Athletic Fund.

Special guests at the pre-game ceremonies, beginning at 7:45 p.m. Tuesday, will be members of the 1977 state champion soccer team from Granite City High School South, introduced by Coach Gene Baker.

Also to be recognized are Kris Whelan, 1976-77 Illinois High School state champion wrestler in the 96-pound class,

and his coach, Walt Whitaker, from Granite City High School North.

Officer Friendly (Fred Hoffman) will present trophies to Lisa Willard of Parkview School and Robert Shelton of Nameoki School. The sixth grade pupils were winners in the Officer Friendly poster contest for Granite City elementary school children.

"You'd better get there early if you want a good seat," Officer Hoffman suggested to a Press-Record reporter Friday morning, noting he had received calls for more than 200 tickets since a photograph of "cheerleaders" appeared in Thursday's issue of the newspaper.

"They must have a fan club going, or something. No one can believe those guys, not even me," the police officer said. "You have to see them in person and even then you don't believe your eyes."

Hoffman was referring to a buxom, short-skirted and bewigged quartet of local men who will spur on the home team, or devastate the audience, with their antics.

The cheerleaders will be recognized as Police Lt. Al "Alberta" Diak, Police Sgt. Glenn "Glenda" Wright, Fireman Bob "Roberta" Dawes and Patrolman Dave "Father" Polivick.

Hoffman has noted that the Big Red All-Stars compiled a 1-1 record last week, winning a game at Fort Leonard Wood, Mo., and losing to a Salem, Ill. team.

"They lost the one at Salem, so they will be up for this game with us," Officer Friendly predicted.

"Of course, those guys are always 'up,' so I guess it doesn't matter that they lost one game," he lamented.

Granite City Mayor Paul Schuler will welcome the spectators, and the Big Red and police-firemen will be in-

duced prior to the contest. Close to 1,500 persons viewed last year's contest between the Big Red and local officers, won by the grid Cardinals, and Officer Friendly is hoping for a capacity crowd of over 2,000 tomorrow night.

Ron Dillard will serve as announcer and game officials will be Larry Lipe, an art teacher at North High, and "Frizzy" Erizell.

Following the contest, the Big Red All-Stars will sign autographs for youngsters attending the game, Officer Friendly advised.

The football Cardinal basketball roster includes: Quarterback Jim Hart, safety Mike Sensibaugh, cornerback Roger Wohl, linebacker Steve Neils, defensive end Ron Yankowski, running back Terry Metcalf, and cornerback Lee Nelson, all of whom played last year.

Kicker Jim Bakken, quarterback Steve Pisarkiewicz,

wide receiver Mel Gray, linebacker Tim Kearney, running back Steve Jones, linebacker Mark Arneson, running back Wayne Morris and running back Jim Otis also are expected.

The Granite City lineup features: Police department — Roy "Pillsbury Doughboy" Koberna, Dave "Rosie" Rosenberg, Robert "Everett" Hayes, "Tiny" Tim Lyster, Fred "Freelander" Hoffman, "Long" John Apperson, Dennis "Wally Peepers" Chensault, Jerry Duncan "Heinz," Rich "Redan" Schardan, Ken "Super Cool" Crawford, Don "Columbo" Knight, Dave "Flash" Ruebhausen, Ron "Go Go" Selph and Steve "T-Bird" Willard.

Fire department — Charles "Foamer" Bernalis, Ken "Bandito" Druse, Ed "Curly" Hagnauer, Greg "Hollywood" Becker and Ray "Lightning" Romine.

### Sr. Citizens give \$500 renovation fund to 'Y'

The Tri-City Area YMCA Senior Citizen Club has presented a check for \$500 to the YMCA for recreation center renovation. President Lucille Pierce presented the check. The club membership of over 100 is responsible for the fund raising.

The YMCA will remodel the first floor at the 20th Street entrance to be used primarily by area senior citizens in various recreational programs. Renovation will include limited demolition, addition of folding partitions, recreational equipment, purchases and related improvements.

The YMCA senior citizens presently are involved in various programs including quilting, socials, trips, dancing,

games and other recreational activities.

The renovation project will eliminate the stairs and hallway barriers created by the second floor program area. With the increased access and additional space provided by renovation, the 'Y' hopes to increase these key services to additional Quad-City citizens.

### Former Madison resident dies

Mrs. Florence Wood (Gerardot), 63, formerly of Madison, died Thursday at Warner Robins, Ga.

Mrs. Wood was of the Catholic faith. She is survived by her husband, William Wood; one son, Robert W. Wood of Cleveland, Ohio; three sisters, Mrs. John Grady of Warner Robins, Miss Catherine Gerardot of St. Louis and Mrs. Beatrice Brabban of Sanford, Fla.; one brother, Joseph Hughes of Kansas City, Mo., and four grandchildren.

Funeral arrangements are given in the obituary column.

### Reservations for wine party

The Citizens for Eftimoff Committee is giving a \$10-a-person wine and cheese fundraising party at the Round Table Restaurant, Collinsville, Route 157, on Sunday, March 5, 1978, from 2 until 5 p.m. The Cornucopia musical group will play.

Vasil Eftimoff, an independent Democrat, is seeking nomination for Madison County regional superintendent of schools in the March 21 primary. Eftimoff is director of pupil personnel services and special education in the Granite City school district.

Chairman June Mills, Collins-

ville, said reservations are being made by calling 344-0694 after 5 p.m. daily.

**In Loving Memory of Our Daughter AN SHANKLE**  
February 28, 1978  
The pain of separation from our precious Daughter Jan these past three years has left an emptiness in our lives that only God can understand. The passing years do not soothe the loneliness we feel. Each day is a challenge to do our best and to live for each new tomorrow until we are again united as a family through faith. Mom and Dad 32 3 27

**Public Notice**  
ORDINANCE NO. 943  
AN ORDINANCE PROVIDING FOR CITY LICENSES FOR MOTOR VEHICLES, OR MOTORCYCLES.  
BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MADISON, ILLINOIS, as follows:  
SECTION 1: LICENSES.  
Every owner or operator of a motor vehicle, motor bicycle or motorcycle who resides within the City of Madison or who operates a motor vehicle or motorcycle in a place of business in the City of Madison which owns or operates a motor vehicle, motor bicycle, or motorcycle shall pay each year to the City Clerk a tax or license fee for the use of each motor vehicle, motor bicycle or motorcycle used or parked on any public street or alley in the City as hereinafter provided; it shall be prima facie evidence that a person, firm or corporation residing in the City of Madison or having a place of business in the City of Madison is deemed to be a user of the public streets or alleyways of the City of Madison if such person, firm or corporation: 1) has title to a motor vehicle, or 2) has a rental lease to a motor vehicle, or 3) has possession of a motor vehicle for 30 days or longer, or 4) has obtained a state registration from the State of Illinois for a motor vehicle.

**APPLICATION - ISSUANCE.**  
Every owner or operator of a motor vehicle, motor bicycle or motorcycle who desires a license for such motor vehicle shall file an application with the City Clerk, setting forth the name and address of the applicant and a description of the vehicle for which the license is desired. Upon payment of the fee hereinafter provided the Clerk shall issue a license which shall be attested by him, authorizing the use of such vehicle within the City until the expiration of the license.

**SECTION 3: PLATES.**  
Each applicant upon payment of the required fee shall be given a license plate, or windshield sticker, which shall be clearly visible and easily read from the outside of such vehicle.

**SECTION 4: TIME OF PAYMENT - LICENSE YEAR.**  
Such license fees shall be due and payable annually in advance on the first day of January of each year. The annual fee to be paid for vehicle licenses shall be: 1) through February 1 of each year, 2) within 30 days of the date of purchase of the vehicle, and 3) within 30 days of the date of becoming a resident or opening a place of business in the City, whichever is later, shall be as follows:

Motorcycles or motor bicycles... no charge  
Passenger vehicles and all other vehicles requiring Class "B" State Licenses... \$3.00  
All other motor vehicles... \$5.00  
All other motor vehicles... \$5.00

The annual license fee for passenger vehicles owned by persons having attained the age of 18 before January 1 of each year shall be One Dollar (\$1.00) all year long; the City Clerk shall issue only one (1) such license per family for such fee upon being furnished satisfactory proof of age and ownership by registration at the time the application for license is made.

**SECTION 5: REPEAL OF AN ORDINANCE.**  
The City Clerk shall issue a replacement City license without fee in the following event: (a) The windshield to which such license was affixed is broken, in which instance proof of replacement of the windshield and proof of purchase of the City license being replaced must be furnished by the owner of such vehicle; (b) The vehicle for which the original license was purchased has been replaced by the owner, in which instance proof of sale, trade or other disposal and proof of purchase of the license affixed to such replaced vehicle must be furnished.

**SECTION 7: DEALERS' LICENSES.** The license plates issued to dealers in motor vehicles held for sale and use only for demonstration may be transferred to any other vehicle so held and used by the same dealer; provided that such dealers shall procure one license for each motor vehicle so held by him at any one time during the year.

**SECTION 8: PENALTY.** Any person, firm or corporation violating any provision of this Ordinance shall be fined not less than Twenty-five Dollars (\$25.00) nor more than One Hundred Dollars (\$100.00) for each violation. A separate offense shall be deemed committed on each day during or on which a violation occurs or continues.

**SECTION 9:** The respective provisions, sections and items of this Ordinance are separate, and a decision by any Court respecting the validity of any provision, section or item hereof, shall not affect the full force and effect of the remaining provisions, sections or items hereof.

**SECTION 10:** All ordinances and parts of ordinances in conflict herewith are hereby repealed.  
**SECTION 11:** This Ordinance shall take effect and be in full force and effect after its passage, approval and publication according to law.  
**PASSED BY THE CITY COUNCIL OF THE CITY OF MADISON, ILLINOIS, this 21st day of February, A.D., 1978.**

**APPROVED BY THE Mayor of the City of Madison, Illinois, this 21st day of February, A.D., 1978.**  
Mike Saasyk  
"MAYOR"  
ATTEST:  
John N. Bellotti  
CITY CLERK 34 2 27

**MADISON COUNTY ZONING ORDINANCE BOARD OF APPEALS NOTICE OF PUBLIC HEARING**  
Notice is hereby given that the above named Board of Appeals, established under the Madison County Zoning Ordinance, will hold a Public Hearing on the 20th day of March, 1978, at the time and place as noted below for the purpose of considering the petition for and/or against the following proposed change in the above named Ordinance:  
At 10:40 A.M. on the petition of Joyce Morgan, Owner of Record, and Occupant of mobile home, requesting a Special Permit as per Article II Section 20.0 and 20.3 of the Madison County Zoning Ordinance, 1975, in order to use a mobile home as a single unit on this property for her residence. Also a Variation of Article II Section 21.0 of the Madison County Zoning Ordinance, 1975, in an Agricultural District in Chouteau Township. This is located in the North one half of Section 30, (flow Old Route No. 66 to the first) road to the right after the canal, turn and follow to the West. Work to be done follow to the bend and the property will be several hundred feet and to the south of the road.

A tract of land in the North one-half of the Section Thirty (30), Township Four (4) North, Range Nine (9) West of the Third Principal Meridian, more particularly described as follows:  
Commencing at the Northeast corner of a tract of land hereafter owned by Emil Willard and all other lots contained therein, which total tract contains 68.5 acres more or less, thence measure Westerly along the North Section line to said Section Thirty (30) a distance of 248 feet; thence South parallel to grantors property line a distance of 206 feet; thence East and parallel to the North Section line a distance of 344 feet; thence North along Grantors' property line a distance of 208 feet to the point of beginning. The hearing will be held at the above described site.  
MADISON COUNTY ZONING BOARD OF APPEALS  
PER ROY H. FRUIT, CHAIRMAN 34 2 27

**PUBLIC NOTICE**  
The Bi-State Development Agency will sponsor a formal public meeting on Tuesday, March 14, 1978, at 6:30 p.m. in St. Louis University's Reginald Hall, 850 Lindell Blvd., St. Louis, Missouri, for the purpose of reviewing the final findings and the existing Services Impact Study.  
As prime study contractor, the firm of Dalton-Dalton-Little-Newport (DDLN) will conduct this public meeting which is designed to gain public reaction and suggestions regarding the future development of Bi-State's transit services.  
Admission is free and the meeting is open to anyone interested in learning more about Bi-State's transit services. For more information about this March 14, 1978 public meeting, please call 317-1414, Station 300. 34 2 27

**Inner Circle of Advocates elects Chapman**  
Attorney Morris B. Chapman of Granite City has been elected to the National Office of the Inner Circle of Advocates. The organization, with offices in San Francisco, is composed of a group of outstanding trial lawyers of the United States, not to exceed 100 members. To be eligible for membership in the organization, the attorney must have received national recognition as one of the outstanding trial lawyers in the country and to have been involved in successful litigation in which recovery for over \$1 million was made. Chapman's qualifications meet the organization's requirements. He was formerly president of the Illinois Trial Lawyers Association and a national office holder in the American Trial Lawyers.

**STEAL CAR BATTERIES**  
At least 20 new auto batteries were stolen during a burglary at Updike's Service Station, 4100 Namekook Road, discovered by police at 4:15 a.m. Friday. Sgt. Gordon Williams noticed a large section of the front plate-glass window was broken and called for help. Gallia checked the interior and found no one inside. One new battery and a new battery cable were found outside of the broken window. The stolen batteries are worth about \$35 each.

# Yankowski . . .

When Ron Yankowski speaks, people listen.

Yankowski, a 6-5, 250 pound defensive end for the St. Louis football Cardinals, was in Granite City last week along with his son Chris to speak at the annual Father-Son banquet at St. John's United Church of Christ.

He was also there, as it turned out, to harass members of the Granite City policeman-firer basketball team who were in attendance.

The Granite City Cardinals basketball team will face the Cardinals basketball team tomorrow night (Tuesday) at Memorial Gym in an exhibition benefit game set to start at 8 p.m., with pre-game festivities at 7:45.

Yankowski was the keynote speaker at the banquet which also served to honor members of the various sports teams which St. John's sponsored in the past year.

The church sponsored three girls' soccer teams, two boys' soccer teams, one boys' basketball team and one adult men's softball team.

Members of the teams and their coaches were in attendance at the banquet.

Yankowski, wearing a cast on his left wrist to protect a broken thumb, said that total dedication is necessary for an athlete to excel in any sport.

The seven-year veteran said that in addition to hard work, training and dedication, the spiritual leadership of a young athlete is very important to his growth . . . as both an athlete and a person.

Then, Yankowski made some comments on the head coaching situation with the Cardinals, who recently fired highly successful coach Don Coryell and were still looking for a new mentor when Yankowski made his speech.

## The Football Cardinals' star speaks to local group

"I personally would like to see Jim Hanifan as the new head coach," said Yankowski. "He's so technical that nothing about the game slips by him un-

noticed. He's also got great rapport with the members of the team."

Yankowski, making reference to tomorrow night's game with the Granite City policemen and firemen, said that the Big Red are in great shape and should handle the opposition quite handsily.

Referring to his own off-season conditioning, he said: "Besides this broken thumb, I'm in good shape. If I keep up my off-season conditioning, nobody's going to beat me out of my position next year."

After his speech, Yankowski signed autographs and answered questions from the audience.

Special gifts were awarded to guests present, including Mike Elsworth, youngest father (25), George Willard, oldest father (78), Louis Laboratory, most children (4) and Jim Black, youngest grandfather.

A soccer ball was given to Mike Walter and a football to Craig Lindsay.

ST. LOUIS FOOTBALL CARDINAL star John Yankowski speaking to St. John's United Church of Christ Father-Son Banquet in Granite City last week.

## Cougars fall, 89-81

The Southern Illinois University at Edwardsville basketball team concluded its season Saturday on the road at Fulton, Mo., and not surprisingly as things are now on the road, the Cougars lost by a host Westminster College Blue Jays, 89-81.

The loss dropped Jim Dudley's SIUE cagers to 11-14 for the season which started out so promising and ended so dismally.

In early January, SIUE had romped through Westminster, 81-65. In that game, played at Edwardsville High's gym, the Cougars won in free throws 20-10, the decisive SIUE was 9 of 10, the Blue Jays hit on seven of 14 Saturday night at Fulton, it was

Westminster hitting on 29 of 39 from the charity line, while SIUE was making only three of seven.

In fact, the story of the free throws on the road during the Cougars' in their 11-14 campaign, they converted 346 of 349 chances while their opponents were racking up 396 of their 536 chances.

The tale of the free throws, overall, was a sad tale for the Cougars. In their 11-14 campaign, they converted 346 of 349 chances while their opponents were racking up 396 of their 536 chances.

In fact, the Cougars would have won 17 of their 25 games and tied one on the basis of field goals.

Six of those defeats on the

road at the free throw line were truly glaring: 'to Kentucky Wesleyan's 34 of 41, Indiana State's 20 of 27, Oakland City's 34 of 42, University of Illinois, Chicago Circle's 18 of 22; St. Louis University's 19 of 26 (compared to SIUE's 7 of 13), and St. Xavier of Chicago 26 of 32.

Ken Piesles paced the Cougars with 19 points and was closely followed by Bennie Lewis with 16 points and 10 for Mike Waldo of Granite City and 12 for Vince Barnett.

The Blue Jays' attack was sparked by Glen Wrap who poured in 11 baskets and hit on 13 of 14 at charity line for a grand total of 35 points. Earlier, the Cougars had stopped him with 19.

In his undergraduate days at Eastern, he was a member of the Panthers' football and track teams. In addition to his coaching duties at SIUE, Whitted

teaches in the department of health, recreation and physical education of the School of Education.

## Tennis Cougars smash Hoosiers

The Southern Illinois University at Edwardsville tennis squad extended its record to 6-0 as it trounced Big Ten power Indiana Friday by a score of 6-1. Indiana is now 1-1 on the season.

The SIUE Cougars won all of the singles matches, clinching the victory before the doubles matches began.

Juan Farrow, defending Division II champion, is apparently near full strength after recovering from minor surgery involving a cyst removal. In his singles match he scored a 6-4, 4 win over defending Big Ten champ and Division I All-American Bill Kemmer.

Arjun Fernando, Cougar All-American, defeated Hoosier

Jeff True 6-1, 6-3. Brian Miller won over Jose Gonzalez 6-2, 6-2. Cougar Bill Rusk of Granite City had to go to split sets, but came up with a 6-3, 2-6, 6-4 win over Randy Druz. Kent Smith beat Tom Rogers 6-2, 6-4 and Scott Whaley won over Clem Frank 6-1, 6-3.

Fernando and Farrow, finalist in Division II as a doubles team last season, dropped a close match to Hoosiers Rennie and True, by a score of 10-9.

The Cougars swept the two remaining matches as Rusk and Smith, an all-American doubles team, dropped Gonzales and Druz 10-8 and Miller and Whaley defeated Rennie and Tom Lockhart.

The Cougars will be playing the University of Michigan Saturday, but the entire Michigan squad came down with the Russian flu. The meet will be rescheduled.

In addition to the Cougars will be on the road to play a pair of tough Big Ten schools, Minnesota and Wisconsin.

## Steelers

(Continued from Page 9)

outside shooting was too much for North to cope with. "I thought he had them shut down inside real well," said Ohlendorf. "But they were so hot from the floor, there wasn't anything we could do about it."

SATURDAY NIGHT, the Steelers, who have been hit hard by the flu, played good defense on Cahokia, just as they had done the previous night against Hillsboro. But the outside shooting of a team called Cahokia's John Talbert — doomed North.

"Boy, it seemed as if he was hitting from everywhere," said Ohlendorf. "All of his shots were absolute bombs."

"I'm really proud of these guys," added Ohlendorf. "They haven't quit once this year and that makes me proud."

"They've got a super attitude going for them and I think this is the best time of the season to have a super attitude."

SATURDAY NIGHT at Edwardsville, South's Warrior cagers clinched their first winning season in five years with a 46-45 squeaker over the Tigers.

With 30 seconds remaining in the game, South's Tom Mahl dropped a 10-footer after an assist from Terry Anjo, to give the Warriors a one-point lead.

But with 17 seconds left, Edwardsville missed a pair of free throws which would have tied the game. But it wasn't yet.

A Tom Hennrich turnover with five seconds remaining gave Edwardsville one last chance.

Throwing the ball inbounds at South's end of the floor, the

## Sports world

### Whitted named to 'Who's Who'

Jack Johnson Whitted, head varsity track and field coach at Southern Illinois University at Edwardsville, has been selected for the Marquis Who's Who, 16th Midwestern edition for 1978-79.

Whitted, native of Danville, received a bachelor's degree from Eastern Illinois University in 1959, and his master's from Washington U., St. Louis, in 1963. He inaugurated track and field at SIUE in 1970.

During service in the U.S. Navy during World War II, Whitted played on the Great Lakes Naval Training Center basketball team that compiled a 31-2 record.

In his undergraduate days at Eastern, he was a member of the Panthers' football and track teams. In addition to his coaching duties at SIUE, Whitted

teaches in the department of health, recreation and physical education of the School of Education.

### Gymnastics begin tomorrow at YMCA in Granite City

The YMCA will begin another series of gymnastics stunts and tumbling classes beginning Tuesday, Feb. 28.

The four-week session will be conducted on Tuesdays and Thursdays with the beginners meeting from 4 to 4:45 p.m. and the intermediate working out from 4:45 to 5:30 p.m.

Karen Simpson and Diana Bauer will lead the classes in stunts and tumbling, with

apparatus work on the parallel bars, balance beam, vault, rings and trampoline.

The YMCA classes are a training period for youngsters to sharpen their skills by "start from scratch" to participate on a competitive level, not only in the region but statewide in gymnastics.

For further information, Quad-Cityans may contact Donald R. Hains, program director, at 876-7200.

### Whelan to teach judo here

Khris Whelan will instruct local YMCA judo classes beginning tonight at 7. He has a first-degree brown belt and has had extensive directional training under Robert Whelan at Florissant Valley Community College.

The class will be open for youngsters of age six through adults, with beginning and advanced classes to be offered on Monday and Wednesday evenings.

The classes are available on a first-come, first-served basis. Pre-registration may be obtained by calling the "Y" at 876-7200.

### Gardner named MVP

Reggie Gardner, a former Venice Red Devil on the 1975 Class A state championship basketball team, was named as the most valuable player as the Okinawa All-Marine team captured the West Pacific trophy by defeating the Iwakuni All-Marine team

in two games straight.

Okinawa won the first game 105-54 and the second game 78-52. As a result of having won these games, Okinawa will travel to Hawaii for further competition in the tourney.

### JEWELRY JOTTINGS

By RUSS WALKER

The bloodstone is one of the rarer varieties of quartz. It shares the honor of being the birthstone for March with the aquamarine. Men often wear bloodstones in cuff links and tie tacs.

As March's birthstone, the bloodstone imparts wisdom and wise buyers will inspect our selection when they need any jewelry item.

we'll sell you one of the finest

### WHOLE HOUSE AIR CONDITIONING

systems at a low competitive price

## SAVE \$900

### Climatrol

## \$869.95\*

Model 937-2 301  
30,000 B.T.U.

Price includes: Rotary compressor, outdoor condensing unit, matching evaporator "A" coil, 15 ft. pre-charged refrigerant tubing, deluxe heat/cold thermostat.

Climatrol has been in the heating/cooling business for 14 years. You've got to figure that anyone who's stayed around for that long has a pretty good product. As a Climatrol dealer, we've always had the kind of equipment people want . . . at a price they can afford.

We'll match our competitive prices against anyone's, because we can sell you a system that is exactly measured to suit your home's needs, not oversized or undersized.

What's more, we protect your investment. We

back up our whole-house cooling with installation by our own factory-trained experts who guarantee top performance from your equipment . . . because we know that the best system works poorly if it's installed improperly.

As for the rare instance when your system might need servicing . . . the Climatrol family takes care of its own. Our service crewmen know Climatrol equipment best and are prompt about responding to your call. For a free whole house air conditioning estimate — call us today.

# Come look over what's better at Kroger...

COPYRIGHT 1978  
THE KROGER CO.

**COME AND LOOK OVER KROGER'S BETTER BEEF. IT'S BETTER THAN EVER BEFORE.**

Kroger Round Steaks are the choicest of the USDA Choice, and every one's a center cut with only enough fat for good flavor - just the way your family likes them best. And you'll like Kroger's nice low price, too. So, come and look over what's better at Kroger - and you'll come back for more.

## ADVERTISED ITEM POLICY

Each of these advertised items is required to be readily available for sale in each Kroger store, except as specifically noted in this ad. If we do run out of an advertised item, we will offer you your choice of a comparable item, when available, reflecting the same savings or a raincheck which will entitle you to purchase the advertised item at the advertised price within 30 days.

**KEEPING YOU POSTED**

**GOOD NUTRITION.....  
OUR BUSINESS AND YOURS**

Nutrition week sponsored by the American Dietetic Association is March 5  
through March 11. Kroger joins ADA in urging consumers to increase  
nutritional awareness and to shop wisely for food.

"To eat a balanced diet each day" Kroger helps you plan a nutritious meal using advertised  
items in this ad, and the advertised items are:

Potatoes, Variety Lettuce, Romaine, Oranges and Grapefruit  
Eat the basic 4 foods every day (Vegetable, Dairy Products, Meat and Flour). The basic 4 groups  
- meat 4-5 ounces per day, vegetables and fruit - 4 servings per day per person; shooting for  
one serving of green and yellow vegetables or one serving of citrus per day, milk and cheese -  
2 per day, and bread and grain - 4 per day. Good nutrition is your business and yours.

**WE HEAR YOU AND WE'RE TRYING TO HELP!**
